Gogo Completes Amendment and Extension of Original Term Loan B with More Than 99.75% Lender Participation

November 20, 2026

BROOMFIELD, Colo., Nov. 20, 2026 (GLOBE NEWSWIRE) -- Gogo Inc. (NASDAQ: GOGO) today announced the completion of the previously announced amendment and extension of its approximately $600 million Original Term Loan B, with lenders holding more than 99.75% of the outstanding loans participating. The transaction extends the facility's maturity to October 2030 and commits Gogo to $75 million in principal repayments through the end of 2027.

"We're grateful for the overwhelming support of our lenders, which reflects their confidence in Gogo's strategy," said Chris Moore, Chief Executive Officer of Gogo.

GLC Advisors & Co., LLC served as exclusive financial advisor to Gogo, and White & Case LLP served as legal counsel. Gibson Dunn represented the ad hoc group of lenders.

About Gogo

Gogo is the only multi-orbit, multi-band in-flight connectivity provider offering connectivity technology purpose-built for business and military/government mobility aviation. Its industry-leading product portfolio offers best-in-class solutions for all aircraft types, from small to large and heavy jets and beyond.

The Gogo offering uniquely incorporates Air-to-Ground technology and access to multiple satellite constellations to deliver consistent, global tip-to-tail connectivity through a sophisticated suite of software, hardware, and advanced infrastructure supported by a 24/7/365 in person customer support team.

Gogo consistently strives to set new standards for reliability, security and innovation and is shaping the future of inflight aviation to make it easier for every customer to stay connected.

Cautionary Note Regarding Forward-Looking Statements

Certain disclosures in this press release and related comments by our management include forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements include, without limitation, statements regarding our business outlook, industry, business strategy, plans, goals and expectations concerning our market position, international expansion, future technologies, future operations, margins, profitability, future efficiencies, capital expenditures, liquidity and capital resources and other financial and operating information. When used in this discussion, the words "anticipate," "assume," "believe," "budget," "continue," "could," "estimate," "expect," "forecast," "intend," "may," "plan," "potential," "predict," "project," "should," "will," "future" and the negative of these or similar terms and phrases are intended to identify forward-looking statements in this press release. Forward-looking statements are based on our current expectations regarding future events, results or outcomes. These expectations may or may not be realized. Although we believe the expectations reflected in the forward-looking statements are reasonable, we can give you no assurance these expectations will prove to have been correct. Some of these expectations may be based upon assumptions, data or judgments that prove to be incorrect. Actual events, results and outcomes may differ materially from our expectations due to a variety of known and unknown risks, uncertainties and other factors. Although it is not possible to identify all of these risks and factors, they include, among others, the following: our ability to continue to generate revenue from the provision of our connectivity and other service offerings; our development and fixed-price contracts; our reliance on our key OEMs and dealers for equipment sales; our dependence on single-source, third party satellite network providers; the impact of competition; our ability to maintain high-quality customer support; our reliance on third parties for equipment components and services; our participation in U.S. government contracts; our participation in non-U.S. government contracts; the finite useful life of satellites; the impact of global supply chain and logistics issues, tariffs and inflationary trends; the continued expansion of our business outside of the United States and the impact of such expansion on our corporate culture; foreign currency risk; our ability to recruit, train and retain highly skilled employees, and the loss of any key personnel; the impact of pandemics or other outbreaks of contagious diseases, and the measures implemented to combat them; the impact of adverse economic conditions and geopolitical instability; our ability to fully utilize portions of our deferred tax assets; the impact of climate change and other sustainability-related matters; our ability to evaluate or pursue strategic opportunities; our recently-deployed Gogo 5G and Gogo Galileo services may not compete well in the market or face problems relating to implementation; our ability to innovate next-generation technologies and provide products and services useful to our customers and passengers without delay in developing or deploying such technologies, products and services; our ability to maintain our rights to use our licensed 4MHz of ATG spectrum in the United States and obtain rights to additional spectrum if needed; the impact of service interruptions or delays, cybersecurity incidents, technology failures, equipment damage or system

disruptions or failures; the impact of assertions by third parties of infringement, misappropriation or other violations; our ability to protect our intellectual property rights; risks associated with the use of artificial intelligence in our products and services; the impact of our use of open-source software; the impact of equipment failure or material defects or errors in our software; our ability to comply with applicable foreign ownership limitations; the impact of government regulation of communication networks, and the internet; our possession and use of personal information; risks associated with participation in the FCC Reimbursement Program; our ability to comply with anti-bribery, anti-corruption and anti-money laundering laws; the extent of expenses, liabilities or business disruptions resulting from litigation; the impact of the distribution of income among various jurisdictions in which we operate as well as changes in tax law or regulation on our U.S. and non-U.S. tax liabilities; the impact of changes in laws and regulations on U.S. government contractors; the impact of our substantial indebtedness; our ability to obtain additional financing to refinance or repay our existing indebtedness; the impact of restrictions and limitations in the agreements and instruments governing our debt; the impact of increases in interest rates; the impact of a substantial portion of our indebtedness being secured by substantially all of our assets; the impact of a substantial change in rating assigned by a rating agency; the volatility of our stock price; our ability to fully utilize our tax losses; the dilutive impact of potential future stock issuances; the impact of our stockholder concentration; our ability to fulfill the obligations of being a public company; the impact of an identified material weakness in our internal controls; the impact of certain provisions of our charter, bylaws, and Delaware law; and other factors listed under the caption "Risk Factors" in our annual report on Form 10-K for the year ended December 31, 2025 as filed with the Securities and Exchange Commission ("SEC") on February 27, 2026 and in our subsequent quarterly reports on Form 10-Q as filed with the SEC.

Any one of these factors or a combination of these factors could materially affect our financial condition or future results of operations and could influence whether any forward-looking statements contained in this press release ultimately prove to be accurate. Our forward-looking statements are not guarantees of future performance, and you should not place undue reliance on them. All forward-looking statements speak only as of the date made and where required by law we undertake no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise.
