Item 1.01. Entry into a Material Definitive Agreement.

On August 31, 2020, Gogo Inc., a Delaware corporation (the “Company”), entered into a Purchase and Sale Agreement (the “Purchase Agreement”) with Intelsat Jackson Holdings S.A., a *societe anonyme* (“Buyer”), pursuant to which, subject to the satisfaction of the conditions set forth in the Purchase Agreement, the Company will sell to Buyer all of the issued and outstanding units (the “Units”) of Gogo LLC, a Delaware limited liability company and Gogo International Holdings LLC, a Delaware limited liability company, for a purchase price of \$400 million in cash, subject to certain adjustments (the “Transaction”).

Consummation of the Transaction is subject to the satisfaction or waiver of (i) certain customary mutual closing conditions, including (a) the absence of any law or injunction prohibiting consummation of the Transaction, (b) the expiration or termination of the required waiting, notice or review periods and approvals or clearances under the Hart-Scott-Rodino Act, as amended, and certain other approvals under competition laws, (c) the receipt of the CFIUS Clearance (as defined in the Purchase Agreement), (d) the receipt of certain specified regulatory approvals, including the receipt of approvals required by the Federal Communications Commission and (ii) certain conditions in favor of the Company, including that the Buyer Parent’s DIP Order and the Bankruptcy Court Order (each as defined in the Purchase Agreement), remain in full force and effect. The obligation of each party to consummate the Transaction is also conditioned upon the other party’s representations and warranties being true and correct (subject to certain materiality exceptions) and the other party having performed in all material respects its obligations under the Purchase Agreement. The Transaction contemplated by the Purchase Agreement has been approved by the Bankruptcy Court (as defined in the Purchase Agreement).

The Purchase Agreement contains representations, warranties and covenants of the Company and Buyer generally customary for a transaction of this type. The Company and Buyer also agreed to use their reasonable best efforts to cause the Transaction to be consummated and to obtain any required regulatory approvals.

Under the Purchase Agreement, until the Closing Date (as defined in the Purchase Agreement), the Company will be subject to a customary exclusivity covenant, which restricts its ability to solicit alternative acquisition proposals from third parties, to provide non-public information to third parties and to engage in negotiations with third parties regarding alternative acquisition proposals.

The Purchase Agreement contains certain termination rights, including, among others, (i) for the Company and Buyer, if the Transaction is not consummated on or before April 30, 2021, subject to extension to July 31, 2021 for certain limited purposes, including obtaining certain required regulatory consents, and (ii) for the Company, if either the DIP Order or the Bankruptcy Court Order ceases to be in full force and effect.

At the closing of the Transaction, the parties will enter into certain ancillary agreements, including a transition services agreement, an intellectual property license agreement and commercial agreements (including the ATG Network Sharing Agreement described in further detail below).

ATG Network Sharing Term Sheet with Intelsat

In connection with the Purchase Agreement, the Company and Buyer have also entered into a term sheet (the “Term Sheet”) that sets forth the key terms of an ATG Network Sharing Agreement to be entered into by the parties in connection with the closing of the Transaction. Under such agreement, the Company will provide to Buyer certain inflight connectivity services on the Company’s current ATG network and access to the 5G ATG network upon its launch, subject to certain revenue sharing obligations. Buyer will have exclusive access to the ATG network in North America, subject to minimum revenue guarantees starting at \$5 million in the first year of the agreement.

The foregoing descriptions of the Purchase Agreement and Term Sheet are not complete and are qualified in their entirety by reference to the full text of the Purchase Agreement and Term Sheet (which is an exhibit to the Purchase Agreement), a copy of which is filed as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated in this Item 1.01 by reference. The Purchase Agreement may contain representations, warranties and covenants by each of the parties thereto. These representations, warranties and covenants were made solely for the benefit of the other parties thereto and (i) are not intended to be treated as categorical statements of fact, but rather as a way of allocating risk to one of the parties if those statements prove to be inaccurate, (ii) may have been qualified by confidential schedules, exhibits and annexes that were delivered in connection with the signing of the Purchase Agreement and may be updated from time to time thereafter in

accordance with the terms of the Purchase Agreement, which schedules, exhibits and annexes contain information that modifies, qualifies and creates exceptions to the representations, warranties and covenants set forth therein, (iii) may be subject to standards of materiality applicable to the parties that differ from what might be viewed as material to stockholders and (iv) were made only as of the date of the Purchase Agreement or such other date or dates as may be specified therein. Accordingly, you should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Company or the Buyer.

Item 8.01. Other Events

On August 31, 2020, the Company issued a press release announcing, among other things, the execution of the Purchase Agreement. A copy of the press release is filed as Exhibit 99.1 hereto and is incorporated herein by reference.

PURCHASE AND SALE AGREEMENT

This PURCHASE AND SALE AGREEMENT, dated as of August 31, 2020 (together with all exhibits and schedules attached hereto, this "Agreement"), is made by and between Intelsat Jackson Holdings S.A., a *société anonyme* organized under the laws of the Grand Duchy of Luxembourg ("Buyer"), and Gogo Inc., a Delaware corporation ("Seller"). Capitalized terms used herein shall have the meanings assigned to such terms in the text of this Agreement or in Section 10.1.

RECITALS:

WHEREAS, Seller indirectly owns all of the issued and outstanding units in (a) Gogo LLC, a Delaware limited liability company ("Gogo CA"), and (b) Gogo International Holdings LLC, a Delaware limited liability company ("Gogo International," together with Gogo CA, the "Transferred Companies," and the Transferred Companies together with their respective Subsidiaries, the "Target Companies");

WHEREAS, prior to the date hereof, Seller effectuated the Reorganization;

WHEREAS, immediately prior to the Closing, the Target Companies shall collectively own and operate the Business; and

WHEREAS, Seller wishes to sell all of the issued and outstanding units in Gogo CA and Gogo International (the "Units") to Buyer, and Buyer wishes to purchase the Units from Seller, on the terms and conditions set forth in this Agreement.

NOW, THEREFORE, the parties agree as follows:

ARTICLE 1 SALE AND PURCHASE OF UNITS

Section 1.1 Sale and Purchase. Subject to the terms and conditions hereof, at the Closing, Seller shall sell the Units to Buyer, and Buyer shall purchase the Units from Seller, free and clear of any Liens (other than (a) Liens created by Buyer in connection with the consummation of the transactions contemplated hereby and (b) restrictions on transfer which may arise under applicable securities Laws).

Section 1.2 Closing. The closing of the sale and purchase of the Units (the "Closing") shall take place at the offices of Debevoise & Plimpton LLP, 919 Third Avenue, New York, New York 10022, at 10:00 a.m. on the date that is two Business Days after the conditions set forth in Article 6 have been satisfied or waived (other than those conditions that by their terms are to be satisfied at the Closing, but subject to the satisfaction or waiver of those conditions at such time) unless another time, date or place is agreed to in writing by the parties. The date on which the Closing actually occurs is referred to hereinafter as the "Closing Date." At the Closing:

- (a) Seller shall deliver, or cause to be delivered, to Buyer:
 - (i) an assignment or such other documentation as is reasonably required to transfer the Units to Buyer;

- (ii) the officer's certificate required to be delivered pursuant to Section 6.2(b);
 - (iii) the Resignation Letters;
 - (iv) customary evidence of release of all guarantees given and Liens granted by any Target Company with respect to its obligations under the Existing Senior Secured Debt, including as necessary to evidence such release with any Governmental Authority; and
 - (v) duly executed counterparts of the Ancillary Agreements.
- (b) Buyer shall pay:
- (i) to Seller, or Seller's designee, by wire transfer of immediately available funds to an account designated by Seller at least two Business Days prior to the Closing Date, an amount equal to the Estimated Purchase Price; and
 - (ii) on behalf of Seller and its Subsidiaries, all Transaction Expenses included in the Estimated Closing Statement in accordance with the invoices and other information delivered to Buyer pursuant to Section 1.3(a)(iv).
- (c) Buyer shall deliver to Seller:
- (i) the officer's certificate required to be delivered pursuant to Section 6.3(b); and
 - (ii) duly executed counterparts of the Ancillary Agreements.

Section 1.3 Purchase Price Adjustment.

- (a) Pre-Closing Adjustment. At least three Business Days prior to the Closing Date, Seller shall prepare and deliver or cause to be prepared and delivered to Buyer a statement (the "Estimated Closing Statement"), setting forth in reasonable detail:
- (i) a good-faith estimate of Closing Working Capital (the "Estimated Closing Working Capital");
 - (ii) a good-faith estimate of Closing Date Indebtedness (the "Estimated Closing Date Indebtedness");
 - (iii) a good-faith estimate of Closing Date Cash (the "Estimated Closing Date Cash");

- (iv) a list of all Transaction Expenses that remain unpaid as of, or are due in connection with, the Closing and written invoices and wire instructions from each payee of such Transaction Expenses;
- (v) the Aggregate Ticking Fee, if any; and
- (vi) a calculation of the Estimated Purchase Price.

The Estimated Closing Statement shall be prepared in accordance with the terms of this Agreement and the Applicable Accounting Principles. Seller agrees to consult with Buyer with respect to the Estimated Closing Statement, and Seller will consider in good faith any of Buyer's comments to the Estimated Closing Statement; provided that Buyer shall not have any right to delay Closing or the payment of the Estimated Purchase Price as a result of any disagreement with such estimates set forth in the Estimated Closing Statement.

(b) Closing Statement. Within 90 days following the Closing Date, Buyer shall prepare and deliver to Seller a statement (the "Closing Statement") setting forth in reasonable detail Buyer's good-faith calculations of:

- (i) Closing Working Capital;
- (ii) Closing Date Indebtedness;
- (iii) Closing Date Cash;
- (iv) Transaction Expenses;
- (v) the Aggregate Ticking Fee, if any; and
- (vi) the amount, if any, payable pursuant to Section 1.3(g).

The Closing Statement shall be prepared in accordance with the terms of this Agreement and Applicable Accounting Principles.

(c) Dispute Notice. The Closing Statement and calculations of Closing Working Capital, Closing Date Indebtedness, Closing Date Cash, Transaction Expenses, the Aggregate Ticking Fee, if any, and the Final Purchase Price shall become final, binding and conclusive upon Seller and Buyer on the 45th day following Seller's receipt of the Closing Statement, unless prior to such 45th day Seller delivers to Buyer a written notice (a "Dispute Notice") stating that Seller believes the Closing Statement contains mathematical errors and/or was not prepared in accordance with the Applicable Accounting Principles or the terms of this Agreement, and specifying in reasonable detail each item that Seller disputes (each, a "Disputed Item"), the amount in dispute for each Disputed Item and, in reasonable detail, the reasons supporting Seller's positions. Any matters not identified in the Dispute Notice delivered in accordance with this Section 1.3(c) as being in dispute shall be deemed to have been agreed to and shall become final, binding and conclusive upon the Parties on the 45th day following Seller's receipt of the Closing Statement.

(d) Resolution Period. If Seller delivers a Dispute Notice, then Seller and Buyer shall seek in good faith to resolve the Disputed Items during the 30-day period beginning on the date Buyer receives the Dispute Notice (the "Resolution Period"). If Seller and Buyer reach agreement with respect to any Disputed Items, Buyer shall revise the Closing Statement to reflect such agreement, which shall become final, binding and conclusive upon Seller and Buyer.

(e) Independent Accountant. If Buyer and Seller are unable to resolve all of the Disputed Items during the Resolution Period, then Buyer and Seller shall, within 15 days of the last day of the Resolution Period, jointly engage and submit the unresolved Disputed Items for resolution to the Independent Accountant. Each of Buyer and Seller shall submit to the Independent Accountant (with a copy delivered to the other on the same day), within 15 days after the date of the engagement of the Independent Accountant, a memorandum (which may include supporting exhibits) setting forth their respective positions on the unresolved Disputed Items. Buyer and Seller may (but shall not be required to) submit to the Independent Accountant (with a copy delivered to the other on the same day), within 30 days after the date of the engagement of the Independent Accountant, a memorandum responding to the initial memorandum submitted to the Independent Accountant by the other. Except for the initial memorandum and the response memorandum discussed above, neither Buyer nor Seller may present any additional information or arguments to the Independent Accountant. The Independent Accountant shall, within 45 days after the date of the engagement of the Independent Accountant, determine and report to Seller and Buyer upon such remaining disputed items or calculations, and such report shall be final, binding and conclusive on Seller and Buyer. The fees and disbursements of the Independent Accountant shall be borne by Buyer and Seller in the same proportion as the aggregate amount of the items remaining in dispute that are unsuccessfully disputed by Buyer and Seller (as determined by the Independent Accountant) bears to the total amount of the items remaining in dispute submitted to the Independent Accountant such that the prevailing party pays the lesser proportion of such fees and disbursements. The provisions in this Section 1.3(e) are not intended to and shall not be interpreted to require that the parties refer to the Independent Accountant (i) any dispute arising out of a breach by any party of its obligations under this Agreement or (ii) any dispute the resolution of which requires the construction or interpretation of this Agreement (apart from the mathematical calculation of the Closing Working Capital, Closing Date Cash, Closing Date Indebtedness, Transaction Expenses, the Aggregate Ticking Fee, if any, and the Estimated Purchase Price and the accounting treatment of current assets and current liabilities insofar as such treatment affects the calculation of the Closing Working Capital). Seller and Buyer shall jointly instruct the Independent Accountant that the Independent Accountant shall act solely as an expert and not as an arbitrator. The scope of the disputes to be resolved by the Independent Accountant shall be limited to resolving the unresolved items included in the Dispute Notice that remain in dispute and correcting mathematical errors. The Independent Accountant's decision shall be based solely on written submissions by Seller and Buyer (which submissions shall be limited to the unresolved items included in the Dispute Notice that remain in dispute) (copies of such submissions shall be concurrently provided to the other party), and not by independent review and shall be final and binding on all of the parties. Seller and Buyer shall not have any *ex parte* conversations or

meetings with the Independent Accountant. The Independent Accountant may not assign a value greater than the greatest value for such item claimed by Buyer or Seller or smaller than the smallest value for such item claimed by Buyer or Seller.

(f) **Access to Information.** Subject to applicable Laws (including COVID-19 Measures), each party shall use its reasonable best efforts to provide promptly to the other party all information and reasonable access to such first party's Representatives as such other party or its Representatives, in each case, shall reasonably request in connection with review of the Estimated Closing Statement, the Closing Statement or the Dispute Notice, as the case may be, including all work papers of the accountants who audited, compiled or reviewed such statements or notices (subject to customary access letters required by accountants in connection herewith), and shall otherwise cooperate in good faith with such other party to arrive at a final determination of the Closing Statement.

(g) **Final Adjustment.** Within two Business Days after the Closing Statement is finalized pursuant to clause (c), (d) or (e) of this **Section 1.3**:

(i) if the Final Purchase Price, as finally determined pursuant to this **Section 1.3**, is less than the Estimated Purchase Price, then Seller shall, within three Business Days of such final determination, pay or cause to be paid by wire transfer of immediately available funds to Buyer or Buyer's designee (pursuant to wire instructions delivered to Seller at least two Business Days in advance of such payment) an amount equal to the amount by which the Estimated Purchase Price exceeds the Final Purchase Price; and

(ii) if the Final Purchase Price, as finally determined pursuant to this **Section 1.3**, is greater than the Estimated Purchase Price, then Buyer shall, within three Business Days of such final determination, pay or cause to be paid by wire transfer of immediately available funds to Seller or Seller's designee (pursuant to wire instructions delivered to Buyer at least two Business Days in advance of such payment) an amount equal to the amount by which the Final Purchase Price exceeds the Estimated Purchase Price.

Any amount paid in respect of adjustments to the Purchase Price made pursuant to this **Section 1.3** shall be treated as an adjustment to the Purchase Price for applicable tax reporting purposes.

Section 1.4 Withholding. Buyer shall make all payments under this Agreement free and clear of all deductions and withholdings in respect of Taxes, unless otherwise required by Law. Except with respect to any withholding with respect to payments treated as compensation for tax purposes or attributable to a failure to deliver the form described in **Section 6.2(c)**, if Buyer determines that any deduction or withholding in respect of Taxes is required by Law from any payment hereunder, prior to deducting or withholding any amounts, Buyer shall notify Seller in writing and shall consult with Seller in good faith as to the basis for such deduction or withholding and any available exemptions from, or reductions in, such deduction or withholding permitted by applicable Law. Buyer shall pay over any withheld Taxes to the appropriate taxing

authority and shall promptly furnish Seller with official receipts (or copies thereof) or other applicable documentation evidencing the payment of such Taxes. To the extent amounts are so withheld and paid over to the appropriate Governmental Authority, the withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of whom such deduction and withholding was made.

ARTICLE 2 REPRESENTATIONS AND WARRANTIES OF SELLER

Except as set forth in (a) the corresponding sections or subsections of the Seller Disclosure Letter or (b) as disclosed in Seller SEC Reports filed or furnished on or after January 1, 2020 and publicly available at least two Business Days prior to the date of this Agreement (but only to the extent such disclosures clearly apply to the Business) (in each case excluding any risk factors (other than statements of historical fact), forward-looking statements and other disclosures that are cautionary, predictive or forward-looking in nature), Seller represents and warrants to Buyer, as of the date hereof and as of the Closing Date, as follows:

Section 2.1 Organization and Good Standing. Each of Seller and the Transferred Companies is a corporation or limited liability company, as applicable, duly organized, validly existing and in good standing under the laws of the State of Delaware and has all requisite organizational power and authority to own, sell and dispose of its properties and assets (including the Units) and to carry on its business as now conducted. Each of Seller and the Transferred Companies is duly qualified or licensed as a foreign corporation, limited liability company or other business form to do business and is in good standing (where such concept is recognized) in all jurisdictions in which it is required to be so qualified or licensed and in good standing, except where the failure to be so qualified or in good standing would not reasonably be expected, individually or in the aggregate, to be material to the Business or the Target Companies, taken as a whole, or to materially and adversely affect the ability of Seller or any Target Company to perform its respective obligations under this Agreement or the Ancillary Agreements. Seller has furnished to Buyer a complete and correct copy of the Organizational Documents of each of the Transferred Companies prior to the date hereof. Each of the transactions contemplated by the Reorganization Agreement has been consummated, and except as set forth on Section 2.1 of the Seller Disclosure Letter, all notices, authorizations, approvals, Orders, permits, contracts or actions required to consummate the transactions contemplated by the Reorganization Agreement have been obtained or given, as applicable.

Section 2.2 Authorization.

(a) Each of Seller and its Subsidiaries has all requisite power and authority to execute, deliver and perform its obligations under this Agreement and the Ancillary Agreements to which it is or will be a party, and to consummate the transactions contemplated hereby and thereby. The execution and delivery by each of Seller and its Subsidiaries of this Agreement and the Ancillary Agreements to which it is or will be a party, the performance of each of their obligations hereunder and thereunder and the consummation of the transactions contemplated hereby and thereby have been duly and validly authorized by all requisite action on the part of Seller or its Subsidiary, as applicable. Seller has duly executed and delivered this Agreement, and on the Closing

Date will have duly executed and delivered the Ancillary Agreements to which it will be a party. As used herein, the term “Solvent” means, with respect to Seller, (i) the Seller shall own assets having fair saleable value on a consolidated basis greater than the total amount of Seller’s liabilities (including a reasonable estimate of the amount of contingent liabilities), (ii) taking into account reasonably anticipated sources of refinancing or other cash availability, Seller is able to realize upon its assets and satisfy its debts and other liabilities as they mature, and (iii) Seller does not have unreasonably small capital with which to conduct its business, including the Retained Business, following the Closing. For the avoidance of doubt, for purposes of this definition, “fair saleable value” shall mean Seller’s reasonable estimate of the total amount at which the assets (tangible, intangible or otherwise, including the Retained Business) of the Seller would change hands between one or more willing buyers and a willing seller in one or more divestitures.

(c) The board of directors of Seller has received a customary fairness opinion from an independent nationally recognized investment bank stating that the consideration to be received by Seller for the Units is fair to Seller from a financial point of view.

ARTICLE 3 REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer represents and warrants to Seller, as of the date hereof and as of the Closing Date (provided that for purposes of the representations and warranties of Buyer contained in Sections 3.1(b), 3.2, 3.3, 3.4 and 3.8, such representations and warranties are made by Buyer after giving effect to the Bankruptcy Court Order and the DIP Order), as follows:

Section 3.1 Organization.

- (a) Buyer is a *société anonyme* duly organized and validly existing under the laws of the Grand Duchy of Luxembourg.
- (b) Buyer has all requisite organizational power and authority to carry on its business as now conducted.

Section 3.2 Corporate and Governmental Authorization.

(a) Buyer has all requisite corporate power and authority to execute and deliver this Agreement and the Ancillary Agreements, to perform its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby. The execution and delivery of this Agreement and the Ancillary Agreements by Buyer, the performance of Buyer’s obligations hereunder and thereunder, and the consummation of the transactions contemplated hereby and thereby have been duly authorized by all requisite corporate action of Buyer. Buyer has duly executed and delivered this Agreement, and on the Closing Date will have duly executed and delivered the Ancillary Agreements. Assuming due execution and delivery by each of the other parties hereto and thereto, this Agreement constitutes, and each such Ancillary Agreement when so executed and delivered by Buyer will constitute, the legal, valid and binding obligation of Buyer, enforceable against Buyer in accordance with its respective terms.

(b) The execution, delivery and performance of this Agreement and the Ancillary Agreements by Buyer, and the consummation of the transactions contemplated hereby and thereby, require no action by or in respect of, or filing with, any Governmental Authority other than (i) compliance with any applicable requirements of the HSR Act and the Competition Laws of the jurisdictions set forth in Section 2.2(b)(i) of the Seller Disclosure Letter, (ii) the Communications Authorizations Filings, (iii) the Communications Authorizations Consents, (iv) filing the CFIUS Notice and receipt of the CFIUS Clearance and (v) any actions or filings under Laws (other than Competition Laws) the absence of which would not materially impair the ability of Buyer to consummate the transactions contemplated hereby or thereby.

Section 3.3 Non-Contravention. The execution and delivery of this Agreement and the Ancillary Agreements by Buyer, and the performance of its obligations hereunder and thereunder, do not and will not (a) conflict with or result in any violation or breach of any provision of any of the Organizational Documents of Buyer, (b) assuming compliance with the matters referred to in Section 3.2(b), conflict with or result in any violation or breach of any provision of any applicable Law or (c) require any consent or other action by any Person under any provision of any material agreement or other instrument to which Buyer is a party, except in the case of clauses (b) and (c), as would not reasonably be expected to materially impair the ability of Buyer to consummate the transactions contemplated hereby or thereby.

Section 3.4 Financing.

(a) Buyer will have, as of the date it is required to effect the Closing, cash on hand and/or access through the DIP Financing to funds sufficient to pay the Final Purchase Price and to effect all other transactions contemplated by this Agreement and the Ancillary Agreements. In no event shall the receipt by, or the availability of any funds to, Buyer or any of its Affiliates or any financing be a condition to Buyer's obligation to consummate the transactions contemplated hereby.

(b) Buyer has delivered to Seller true and complete copies, including all exhibits, schedules or amendments thereto, of the fully executed DIP Credit Agreement, pursuant to which, subject to the terms and conditions set forth therein, the DIP Lenders have committed to provide Loans (as defined in the DIP Credit Agreement) in the aggregate amounts described therein which Loans are available and permitted to be incurred by the DIP Borrower and the proceeds thereof used to consummate the transactions contemplated herein and in the Ancillary Agreements (such Loans, the "DIP Financing").

(c) The DIP Credit Agreement is in full force and effect and is a valid and binding obligation of the DIP Borrower and, to the Knowledge of Buyer, the other parties thereto, enforceable against the DIP Borrower and, to the Knowledge of Buyer, the other parties thereto in accordance with its terms (subject to the Enforceability Exceptions). Assuming (i) the DIP Financing is funded in accordance with the DIP Credit Agreement

and (ii) the satisfaction of the conditions set forth in Article 6, the aggregate amount of the proceeds of the DIP Financing, together with cash on hand, will be sufficient to pay the Final Purchase Price and to effect all other transactions contemplated by this Agreement and the Ancillary Agreements (collectively, the “Required Amount”). The obligations of the DIP Lenders to fund Loans under and as defined in the DIP Credit Agreement are not subject to any conditions, other than as expressly set forth in Section 7 of the DIP Credit Agreement, or any contingencies that would permit the DIP Lenders to reduce the total amount of the DIP Financing other than mandatory prepayments as set forth in the DIP Credit Agreement. There are no side letters, understandings or other agreements, contracts or arrangements relating to the availability of the full amount of the DIP Financing, other than as expressly set forth in or contemplated by the DIP Credit Agreement. As of the date of this Agreement, Buyer has fully paid any and all fees and expenses required to be paid pursuant to the terms of the DIP Credit Agreement, to the extent the same are due and payable on or prior to the date hereof. As of the date of this Agreement, (x) the DIP Credit Agreement has not been amended or modified, and no such amendment or modification is contemplated, in each case, by Buyer or, to the Knowledge of Buyer, the other parties thereto, except as expressly permitted herein (including the DIP Amendment) and (y) the respective commitments have not been withdrawn, rescinded or terminated in any way, in each case, by Buyer or, to the knowledge of Buyer, the other parties thereto. As of the date of this Agreement and assuming the satisfaction of the condition set forth in Article 6, (i) no breach or event of default has occurred under the DIP Credit Agreement by Buyer or, to the Knowledge of Buyer, any other party thereto, and (ii) no event has occurred that (with or without notice, lapse of time or both) would reasonably be expected to constitute a breach, default or failure to satisfy any condition precedent to funding under the DIP Credit Agreement by Buyer or its Affiliates. As of the date of this Agreement and assuming the satisfaction of the condition set forth in Article 6, Buyer has no knowledge of any facts or circumstances that would reasonably be expected to result in (i) any of the conditions to obtaining the DIP Financing set forth in the DIP Credit Agreement required to be satisfied by Buyer or its Affiliates not being satisfied on a timely basis or (ii) the DIP Financing not being made available to the DIP Borrower on a timely basis in order to consummate the transactions contemplated by this Agreement and the Ancillary Agreements.

(d) Assuming the satisfaction of the condition set forth in Article 6, the payment of the Final Purchase Price and the consummation of all other transactions contemplated by this Agreement and the Ancillary Agreements, including the incurrence of the DIP Financing in connection therewith (if applicable), do not or, after giving effect to any amendment, modification, supplement or waiver to the DIP Credit Agreement that is necessary to cause the transactions contemplated by this Agreement to be permitted under the DIP Credit Agreement or to limit the conditions applicable to funding under the DIP Credit Agreement (any such amendment, modification, supplement or waiver, a “DIP Amendment”), will not (i) violate, conflict with or breach any provision of the DIP Credit Agreement, or (ii) require any consent of or other action by any Person under, constitute a default or an event that, with or without notice or lapse of time or both, would constitute a violation, default or breach under, or cause or permit termination, cancellation, payment or acceleration under, any provision of the DIP Credit Agreement.

Section 3.5 Purchase for Investment. Buyer is purchasing the Units for investment for its own account and not with a view to, or for sale in connection with, any distribution thereof. Buyer (either alone or together with its advisors) has sufficient knowledge and experience in financial and business matters so as to be capable of evaluating the merits and risks of its investment in the Units and is capable of bearing the economic risks of such investment. Buyer acknowledges that the Units have not been registered under the Securities Act or any state securities Laws, and agrees that the Units may not be sold, transferred, offered for sale, pledged, hypothecated or otherwise disposed of without registration under the Securities Act, except pursuant to an exemption from such registration available under the Securities Act, and without compliance with foreign securities Laws, in each case, to the extent applicable.

Section 3.6 Litigation. There is no Litigation pending against, or, to the Knowledge of Buyer, threatened against or affecting, Buyer before any court or arbitrator or any Governmental Authority which in any manner challenges or seeks to prevent, enjoin, alter or materially delay the transactions contemplated by this Agreement or by the Ancillary Agreements, except as would not reasonably be expected to impair the ability of Buyer to consummate the transactions contemplated hereby or by the Ancillary Agreements.

Section 3.7 Finders' Fees. Except for PJT Partners, whose fees and expenses will be paid by Buyer or its Affiliates, there is no investment banker, broker, finder or other intermediary retained by or authorized to act on behalf of Buyer who might be entitled to any fee, payment or commission from Seller or any of its Affiliates (other than, following the Closing, the Target Companies) upon consummation of the transactions contemplated by this Agreement.

Section 3.8 Bankruptcy Court Orders. The Bankruptcy Court Order and the DIP Order are in full force and effect, subject to any applicable time for appeal. Buyer is not, and will not be as a result of entering into this Agreement or the Ancillary Agreements or consummating the transactions contemplated hereby or thereby at the Closing, in violation of, or in default under, (a) the Bankruptcy Court Order, (b) the DIP Order or (c) any other Order of the Bankruptcy Court the effect of any of which, independently or in the aggregate, would reasonably be expected to impair the ability of Buyer to consummate the transactions contemplated hereby.

Section 3.9 No Additional Representations; Inspection; COVID-19.

(a) Buyer has conducted its own investigation, review and analysis of, and reached its own independent conclusions regarding, the business, operations, assets, condition (financial or otherwise) and prospects of the Target Companies. In entering into this Agreement, Buyer acknowledges that it has relied solely upon its own investigation, review and analysis and has not relied on and is not relying on any representation, warranty or other statement (whether written or oral) made by, on behalf of or relating to Seller, the Transferred Companies or any of their Subsidiaries except for the representations and warranties expressly set forth in Article 2 of this Agreement or in any Ancillary Agreement (and, with respect to such representations and warranties, subject to any limitations included in this Agreement or in such Ancillary Agreement as applicable).

(b) Buyer acknowledges and agrees that (i) other than the representations and warranties expressly set forth in Article 2 of this Agreement or in any Ancillary Agreement, none of Seller, the Transferred Companies or any of their Subsidiaries has made or makes any other representation or warranty, written or oral, express or implied, at law or in equity, with respect to Seller, any Target Company, the Business or the Assets, including any representation or warranty as to (A) value, merchantability or fitness for a particular use or purpose or for ordinary purposes, (B) the operation or probable success or profitability of the Transferred Companies or their Subsidiaries, the Business or the Assets or (C) the accuracy or completeness of any information regarding any Target Company, the Business or the Assets furnished or otherwise provided to Buyer and its representatives in connection with this Agreement or their investigation of any of the foregoing (including any estimates, forecasts, budgets, projections or other financial information with respect to the Business, the Assets or any Target Company), and (ii) Buyer will have no right or remedy (and Seller and the Target Companies will have no liability whatsoever) arising out of, and Buyer expressly disclaims any reliance upon any representation, warranty or other statement (whether written or oral) made by, on behalf of or relating to Seller or any Target Company including in any information furnished or otherwise provided to Buyer and its representatives in connection with this Agreement or their investigation of the Target Companies (including any estimates, forecasts, budgets, projections or other financial information with respect to the Target Companies and any information disclosed in any virtual data room), or any errors therein or omissions therefrom, other than the representations and warranties expressly set forth in Article 2 of this Agreement or in any Ancillary Agreement. Notwithstanding anything in this Agreement to the contrary, nothing in this Agreement shall limit the liability of Seller, Seller Group or any other Person (i) for Fraud or (ii) under any existing or future commercial agreements or arrangements (including the Commercial Agreements).

(c) Buyer acknowledges and agrees that (i) any determination of the existence of a Material Adverse Effect shall exclude any impact on the Business, the Assets and the Target Companies of COVID-19 (including COVID-19 Measures), (ii) Buyer will not seek to avoid any obligation under the Agreement based on an argument that COVID-19 (including COVID-19 Measures) has had or may have a disproportionately adverse effect on the Target Companies, relative to other companies operating in the industries in which the Target Companies operate, whether based on facts as of the date hereof (whether known or unknown as of the date hereof) or as they may develop or become known between the date hereof and the Closing, and (iii) COVID-19 (including COVID-19 Measures) may produce economic, business and human effects in the domestic and international economy, markets and the business of the Target Companies that are unforeseeable as of the date of this Agreement, and Buyer agrees to bear the risk of any such effects under the terms of this Agreement. Notwithstanding anything in this Agreement to the contrary, the acknowledgements and agreements in this Section 3.9(c) shall not apply to Article 6 (other than Section 6.2(d)).

Section 4.2 Access to Information; Confidentiality; Books and Records.

(a) Subject to applicable Laws (including COVID-19 Measures), from the date hereof until the Closing, Seller shall (i) give Buyer and its Representatives reasonable access to the offices, properties, books and records of any Target Company, (ii) furnish to Buyer and its Representatives such financial and operating data and other information to the extent relating to the Business or the Target Companies as such Persons may reasonably request and (iii) instruct the Representatives of Seller and Seller's Affiliates to cooperate with Buyer and its Representatives in connection with the integration of the Target Companies into Buyer's organization following the Closing.

(b) Subject to applicable Laws (including COVID-19 Measures), from and after the Closing, Seller, on the one hand, and Buyer, on the other hand, shall promptly afford the other party and its respective Representatives reasonable access (including the right to make copies) to their respective books and records, information, employees and auditors in each case to the extent relating to the Business or the Target Companies and necessary or useful for the party requesting such access in connection with any audit, investigation, dispute or Litigation; provided that the party requesting such access agrees to reimburse the other party promptly for all reasonable and documented out-of-pocket costs and expenses incurred in connection with any such request; provided, however, that neither party shall be obligated to provide the other party any such access if Seller or its Affiliates, on the one hand, or Buyer or its Affiliates, on the other hand, are adverse parties in any such audit, investigation, dispute or Litigation and (x) such books, records, information, employees and auditors are reasonably pertinent thereto or (y) such access would be in contravention of Law.

(c) Notwithstanding anything to the contrary in Section 4.2(a) or (b), (i) access rights pursuant to Section 4.2(a) or (b) shall be exercised in such manner as not to (A) interfere unreasonably with the conduct of the Business or any other business of the party granting such access or (B) jeopardize the health and safety of any person who would be involved with facilitating such access, (ii) the party granting access may withhold any document (or portions thereof) or information (A) in the case the party granting access is Buyer, that is subject to the terms of a non-disclosure agreement with a third party or constitutes a trade secret of the Business, (B) that may constitute privileged attorney-client communications or attorney work product and the transfer of which, or the provision of access to which, as reasonably determined by such party's counsel, is reasonably likely to constitute a waiver of any such privilege or (C) if the provision of access to such document (or portion thereof) or information, as determined by such party's counsel, would reasonably be expected to conflict with applicable Laws, and (iii) neither Seller nor any of its Affiliates or Representatives shall have any obligation to provide Buyer or its Representatives (A) access to any portion of any Tax Return filed by Seller or any of its Affiliates, or any related materials, in each case to the extent not relating to one of the Target Companies, (B) access to any individual personnel or payroll records, in each case to the extent not relating to one of the Company Employees or the Target Companies, or (C) access to the properties or assets of the Target Companies to conduct any subsurface or Phase II environmental investigation, or sampling or testing of any environmental medium.

(d) All information provided to Buyer pursuant to Section 4.2 prior to the Closing shall be held by Buyer as Confidential Information (as defined in the Confidentiality Agreement, dated as of June 23, 2020, between Seller and Buyer (the "Confidentiality Agreement")) and shall be subject to the Confidentiality Agreement; provided that, notwithstanding anything to the contrary in the Confidentiality Agreement, Buyer, its Affiliates and its and their respective Representatives may disclose and use Confidential Information as required by this Agreement and the Ancillary Agreements or otherwise with Buyer's prior written consent (which may not be unreasonably withheld, conditioned or delayed). The Confidentiality Agreement shall automatically terminate as of the Closing Date; provided that (i) the obligations of Buyer and its Representatives (as defined in the Confidentiality Agreement) with respect to the disclosure of any Confidential Information solely pertaining to the Retained Business and (ii) the obligations of Buyer and its Affiliates with respect to the solicitation of the employees set forth on Exhibit A thereto, in each case, shall survive such termination and continue in accordance with the terms of the Confidentiality Agreement for the terms set forth therein.

(e) Subject to Section 4.23(e), Seller and its Affiliates shall have the right to retain copies of all books, data, files, information and records in any media (including, for the avoidance of doubt, Tax Returns and other information and documents relating to tax matters) of each Target Company relating to periods ending on or prior to the Closing Date (i) relating to information (including employment and medical records) regarding the Company Employees, (ii) as may be required by any Governmental Authority, including pursuant to any applicable Law or regulatory request, (iii) as may be necessary to comply with ordinary course electronic back-up practices or (iv) as may be necessary

for Seller or its Affiliates to perform their respective obligations pursuant to this Agreement or any of the Ancillary Agreements, in each case subject to compliance with all applicable privacy Laws. Buyer agrees that, with respect to all original books, data, files, information and records of the Target Companies existing as of the Closing Date, it will (w) comply in all material respects with all applicable Laws relating to the preservation and retention of records, (x) apply preservation and retention policies that are no less stringent than those generally applied by Buyer to its own books and records, (y) make the same available after the Closing for inspection and copying by Seller or its representatives (at Seller's expense) during regular business hours and upon reasonable request and upon reasonable advance notice, and (z) for at least six years after the Closing Date, preserve and retain all such original books, data, files, information and records and thereafter dispose of such original books, data, files, information and records in the ordinary course of business.

(a) Each of the parties shall use its reasonable best efforts to take, or cause to be taken, all appropriate action and to do, or cause to be done, all things necessary, proper or advisable under applicable Law or otherwise to consummate and make effective the transactions contemplated by this Agreement and the Ancillary Agreements as promptly as practicable. In furtherance of the foregoing, Seller and Buyer agree to (i) make, as promptly as practicable, all filings and applications (including draft filings and applications) with and to, and seek to obtain all licenses, Permits, consents, approvals, authorizations, qualifications and orders of, applicable Governmental Authorities to consummate the transactions contemplated by this Agreement and (ii) obtain consents from other Persons, if any, listed on Section 2.3 of the Seller Disclosure Letter. In furtherance of the foregoing, Buyer agrees to provide such assurances as to financial capability, resources and creditworthiness as may be reasonably requested by any Governmental Authority or such other Person whose consent or approval is sought hereunder or under an Ancillary Agreement.

(b) In furtherance of the provisions set forth in Section 4.3, Seller and Buyer shall (i) (A) file or cause to be filed a Notification and Report Form with the United States Federal Trade Commission (the "FTC") and the United States Department of Justice (the "DOJ") pursuant to the HSR Act with respect to the transactions contemplated hereby as promptly as practicable following the date hereof, but in no event later than 10 Business Days following the execution and delivery of this Agreement (unless a later period is agreed to in writing by both Buyer and Seller), and to include in such Notification and Report Form a request for early termination or acceleration of any applicable waiting or review periods, to the extent available under the HSR Act and (B) file or cause to be filed any other notification and report forms with other applicable Governmental Authorities that may be required pursuant to applicable Competition Laws with respect to the transactions contemplated hereby as promptly as practicable following the date hereof, but in no event later than 10 Business Days following the execution and delivery of this Agreement (unless a later period is agreed to in writing by both Buyer and Seller), and to include in such filing, notification and report form a request for early termination or acceleration of any applicable waiting or review periods, to the extent

available under the applicable Competition Law, (ii) file or cause to be filed the Communications Authorizations Filings necessary to obtain any Communications Authorizations Consents with respect to the transactions contemplated hereby as promptly as practicable following the date hereof, but in no event later than 10 Business Days following the execution and delivery of this Agreement (unless a later period is agreed to in writing by both Buyer and Seller) and (iii) thereafter provide as promptly as reasonably practicable any supplemental information requested in connection with the HSR Act, any other Competition Law and the Communications Authorizations Filings. In connection therewith, Seller and Buyer shall (v) furnish to the other party such necessary information and reasonable assistance as the other party may reasonably request in connection with its preparation of any filing or submission that is necessary, proper or advisable under the HSR Act, other Competition Laws, the Communications Act or the rules and regulations of the FCC or the Communications Authorizations Filings, (w) provide each other with advance copies and a reasonable opportunity to comment on, and consider in good faith the views of the other party in connection with, all material filings (excluding the notification and report form under the HSR Act), notifications, analyses, appearances, presentations, memoranda, briefs, arguments, advocacy submissions, white papers and opinions proposed to be made or submitted by or on behalf of any party to, or proposed understandings, commitments or agreements with, Governmental Authorities relating to such applications, notifications and filings; provided that the materials required to be provided pursuant to this Section 4.3 may be redacted (A) to remove references concerning the valuation of the Business, (B) as necessary to comply with contractual arrangements, (C) as necessary to comply with applicable Law, and (D) as necessary to address reasonable privilege or confidentiality concerns, and each party may reasonably designate any competitively sensitive material provided to the other as "Outside Counsel Only," (x) not extend any applicable waiting or review periods or enter into any agreement with a Governmental Authority to delay or not to consummate the transactions contemplated hereby to be consummated on the Closing Date, except with the prior written consent of the other party, which shall not be unreasonably withheld, (y) not have any substantive contact with any Governmental Authority in respect of any filing or proceeding contemplated by this Section 4.3(b) unless they have engaged in prior consultation with the other party and, to the extent permitted by such Governmental Authority, given the other party the opportunity to participate and (z) promptly notify each other, and if in writing, furnish the other party with copies (or, in the case of oral communications, advise the other) of any material communications, filings or correspondence from or to the FTC, the DOJ, the FCC and any other applicable Governmental Authority, whether foreign or domestic.

(c) Buyer further agrees to take any action to avoid or eliminate each and every impediment that may be asserted by any Governmental Authority with respect to the transactions contemplated by this Agreement so as to enable the Closing to occur as soon as reasonably possible following the date of this Agreement and to avoid the entry of, or to effect the dissolution of, any permanent, preliminary or temporary injunction or other order, decree, decision, determination or judgment that would delay, restrain, prevent, enjoin or otherwise prohibit consummation of the transactions contemplated by this Agreement, including (i) the defense through litigation on the merits of any claim asserted in any court, agency or other proceeding by any Person, including any

Governmental Authority, seeking to delay, restrain, prevent, enjoin or otherwise prohibit consummation of such transactions, (ii) the proffer and agreement by Buyer of its willingness to sell, lease, license or otherwise dispose of, or hold separate pending such disposition, and promptly to effect the sale, lease, license, disposal and holding separate of, such assets, rights, product lines, categories of assets or businesses or other operations or interests therein of Buyer or any of its Subsidiaries (including the Target Companies) (and the entry into agreements with, and submission to orders of, the relevant Governmental Authority giving effect thereto) and (iii) the proffer and agreement by Buyer of its willingness to take such other actions (including to agreeing to so-called behavioral remedies), and promptly to effect such other actions (and the entry into agreements with, and submission to orders of, the relevant Governmental Authority giving effect thereto), in each case if such action should be reasonably necessary, proper or advisable to avoid, prevent, eliminate or remove the actual, anticipated or threatened (1) commencement of any proceeding in any forum or (2) issuance of any order, decree, decision, determination or judgment that would delay, restrain, prevent, enjoin or otherwise prohibit consummation of the transactions contemplated by this Agreement by any Governmental Authority. Nothing in this Section 4.3 shall obligate Buyer or any of its Affiliates to (x) agree to any divestitures or other remedies not conditioned on the consummation of the Closing or (y) take any action (or refrain from such action) or agree to any term, condition, or limitation (including with respect to the operation of the Business or the business of Buyer Group) that would or would reasonably be expected to, individually or in the aggregate, materially and adversely affect the value of the Target Companies and Buyer Group, taken as a whole. Buyer shall not, and shall cause its Affiliates not to, acquire or agree to acquire, by merging with or into or consolidating with, or by purchasing a portion of the assets of or equity in, or by any other manner, any business or any corporation, partnership, association or other business organization or division thereof, or otherwise acquire or agree to acquire any assets or equity interests, if the entering into of a definitive agreement relating to, or the consummation of, such acquisition, merger or consolidation would reasonably be expected to: (1) impose any material delay in the obtaining of, or materially increase the risk of not obtaining, any consents of any Governmental Authority necessary to consummate the transactions contemplated by this Agreement or the expiration or termination of any applicable waiting period; (2) materially increase the risk of any Governmental Authority seeking or entering an order prohibiting the consummation of the transactions contemplated by this Agreement; (3) materially increase the risk of not being able to remove any such order on appeal or otherwise; or (4) materially delay or prevent the consummation of the transactions contemplated by this Agreement.

(d) Notwithstanding anything in this Agreement to the contrary, nothing herein shall obligate or be construed to obligate Seller or any of Seller's Affiliates to make, or to cause to be made, any payment to any third party in order to obtain the consent or approval of such third party under any Material Contract. With respect to any Material Contract for which any consent is required in connection with the transactions contemplated hereby and such consent has not been obtained prior to the Closing, (i) Seller, on the one hand, and Buyer, on the other hand, shall each use reasonable best efforts to obtain any such consent after the Closing until either such consent has been obtained or Seller determines, in good faith, that such consent cannot reasonably be

obtained (provided that Seller may not make such a determination until 12 months following the Closing Date) and (ii) Seller shall use reasonable best efforts to provide Buyer with the same benefits arising under such Material Contract, including performance by Seller (through Buyer as agent if legally and commercially feasible); provided that Buyer shall provide Seller with such access to the premises, books and records and personnel of Buyer as is reasonably necessary to enable Seller to perform its obligations under such Material Contract, and Buyer shall pay or satisfy the corresponding liabilities and other obligations for the enjoyment of such benefits. Anything to the contrary in this Agreement notwithstanding, Buyer agrees that, except as set forth in this Section 4.3(d), neither Seller nor any of its Affiliates shall have any liability whatsoever to Buyer arising out of or relating to the failure to obtain any such consent and no representation, warranty or covenant herein shall be breached or deemed breached, no condition shall be deemed not satisfied and no termination right shall be deemed triggered as a result of such failure.

(e) Buyer shall use its reasonable best efforts, during the pendency of the Chapter 11 Cases until the Closing Date to (i) keep Seller promptly apprised of all material developments and filings made with respect to the Bankruptcy Court Order and the DIP Order in the Chapter 11 Cases that are reasonably related to the transactions contemplated by this Agreement and the Ancillary Agreements, including by providing Seller and its Representatives advance notice of and a reasonable opportunity to comment on (which comments shall be considered in good faith) any material filings made by Buyer in the Chapter 11 Cases that relate to the transactions contemplated by this Agreement and the Ancillary Agreements, (ii) comply in all material respects with the Bankruptcy Court Order, the DIP Order, and any other Orders of the Bankruptcy Court to the extent applicable to the transactions contemplated by this Agreement and the Ancillary Agreements, and (iii) respond to and seek to resolve as promptly as practicable any objections asserted by any Person with respect to the Bankruptcy Court Order or the DIP Order that are reasonably related to the transactions contemplated by this Agreement and the Ancillary Agreements. Without the prior written consent of Seller, Buyer shall not seek (or assist any other Person in seeking) to alter or enjoin the terms of the Bankruptcy Court Order or the DIP Order that are reasonably related to the transactions contemplated by this Agreement and the Ancillary Agreements.

Section 4.4 Further Assurances.

(a) From time to time after the Closing Date, at the request of another party, without further consideration and at the expense of the party so requesting, each of the parties shall execute and deliver to such requesting party, or shall cause to be executed and delivered to such requesting party, such additional instruments or documents, and shall take or cause to be taken such other action, as such requesting party may reasonably request in order to consummate more effectively the transactions contemplated hereby.

(b) If, at any time, Buyer establishes that any asset, property or right that is a Transferred Asset was not, or has not been, transferred, assigned, conveyed and delivered to the Target Companies, then upon Buyer's request, Seller shall (or shall cause its Subsidiaries to) promptly transfer, assign, convey and deliver such asset, property or

right, free and clear of Liens, to Buyer or its designee. All liabilities of the Target Companies that are Excluded Liabilities shall be, as of the Closing, automatically transferred, assigned, conveyed and delivered to Seller, and Seller hereby assumes all such liabilities. For the avoidance of doubt, nothing in this Section 4.4(b) shall limit the right to indemnification of any Buyer Indemnitee pursuant to Section 8.1.

(c) If, at any time, Seller establishes that any asset, property or right that is an Excluded Asset was, or has been, transferred, assigned, conveyed and delivered to the Target Companies, then upon Seller's request, Buyer shall (or shall cause its Subsidiaries to) promptly transfer, assign, convey and deliver such asset, property or right, free and clear of Liens, to Seller or its designee. All liabilities of the Seller that are Transferred Liabilities shall be, as of the Closing, automatically transferred, assigned, conveyed and delivered to the Target Company designated by Buyer, and such Target Company hereby assumes all such liabilities. For the avoidance of doubt, nothing in this Section 4.4(c) shall limit the right to indemnification of any Seller Indemnitee pursuant to Section 8.2.

Section 4.5 Employees and Employee Benefits

(a) Prior to the Closing Date, the employment or engagement of each Non-Business Employee who is employed or engaged by any of the Transferred Companies or any of their respective Subsidiaries as of the date of this Agreement shall (unless such person has ceased to be employed or engaged by the Transferred Companies or any of their respective Subsidiaries prior thereto) be transferred, and each such Non-Business Employee shall cease to be an employee or individual service provider of the Target Companies, as applicable, without any interruption or cessation of employment or engagement, terms and conditions of employment or break in service. On or prior to the date of this Agreement, the Company has reinstated all Business Employees, who were on a full or partial furlough, to full-time status (or such other status as each individual Business Employee was working prior to the full or partial furlough), effective no later than the day after the date of this Agreement.

(b) For a period beginning on the Closing Date and continuing thereafter until the earlier of the one-year anniversary of the Closing Date and the relevant Company Employee's termination (the "Continuation Period"), Buyer shall provide, or shall cause the Transferred Companies and their respective Affiliates to provide, employees of the Target Companies as of the Closing who continue employment with the Transferred Companies or any of their respective Affiliates immediately following the Closing (the "Company Employees") with (i) a base salary or wage rate (as applicable) and target annual cash incentive opportunity that are each no less favorable than those provided to such Company Employees by the Transferred Companies or any of their respective Subsidiaries, as set forth on Section 4.5(b)(i) of the Seller Disclosure Letter; (ii) employee benefits (excluding any defined benefit pension, equity or equity-based, long-term incentive, non-qualified deferred compensation or post-termination or retiree health or welfare benefits) that are either (A) substantially comparable in the aggregate to those provided to each such Company Employee by the Transferred Companies or any of their respective Subsidiaries immediately prior to the Closing Date under the Benefit Plans disclosed to Buyer prior to the date hereof or (B) the same as those provided to

similarly situated Buyer employees; (iii) with respect to any Company Employee whose employment is terminated by Buyer during the Continuation Period, Buyer shall provide, or shall cause its Affiliates to provide, severance benefits to such Company Employee, which shall be determined and payable in accordance with either (A) the severance benefit plan, agreement or informal policy maintained by Seller or any of its Affiliates for the benefit of such Company Employee immediately prior to the Closing Date, as set forth on Section 4.5(b)(iii) of the Seller Disclosure Letter, or (B) the severance benefit plan, agreement or policy maintained for similarly situated employees of Buyer and its Affiliates, as set forth on Section 4.5(b)(iii) of the Buyer Disclosure Letter and in each case taking into account all service with Seller, the Transferred Companies or any of their respective Subsidiaries, Buyer and their respective Affiliates in determining the amount of severance benefits payable to the extent service is relevant for determining the level of such benefits, provided, however, that subject to this Section 4.5, nothing herein shall be deemed to limit the right of Buyer, the Transferred Companies or any of their respective Affiliates to (A) terminate the employment or service of any Company Employee at or any other Person any time and for any or no reason, (B) change or modify the terms or conditions of employment or service for any Company Employee or any other Person or (C) change or modify or terminate any benefit or compensation plan, policy, program, contract, agreement or arrangement in accordance with their terms. For the avoidance of doubt, contingent workers, temporary employees and independent contractors are not included in the definition of Company Employees for purposes of Section 4.5.

(c) For purposes of vesting in any 401(k) plan and eligibility to participate in any 401(k) or health or welfare plan, and solely for purposes of determining the level of any paid time off or severance pay under the employee benefit plans, programs and arrangements established or maintained by Buyer, the Transferred Companies or any of their respective Affiliates in which Company Employees are eligible to participate after the Closing (the "New Benefit Plans"), each Company Employee shall be credited with the same amount of service as was credited by the Transferred Companies and their respective Affiliates as of the Closing under the analogous Company Plans for the same purpose as recognized under such Company Plan; provided that such crediting of service shall not operate to duplicate any benefit or compensation for the same period of service or the funding of any benefit, and no credit shall be granted for any purposes under any equity or equity-based plan or arrangement or for benefit accrual purposes under any defined benefit pension plan; and provided, further, that eligibility for retirement vesting under any equity or equity-based New Benefit Plan shall be provided to Company Employees if provided to other participants in such equity or equity-based New Benefit Plan. In addition, and without limiting the generality of the foregoing, in the calendar year in which the Closing Date occurs, Buyer shall, or shall cause the Target Companies to, whereby (i) with respect to any New Benefit Plans in which the Company Employees may be eligible to participate following the Closing, each Company Employee will immediately be eligible to participate in such New Benefit Plans, without any waiting time, to the extent coverage under such New Benefit Plans replaces coverage under the analogous Company Plan in which such Company Employee was eligible to participate immediately before such commencement of participation (such plans, collectively, the "Old Benefit Plans") to the extent such waiting time did not apply or was satisfied under the analogous Benefit Plan, (ii) for purposes of each New Benefit Plan providing

medical, dental, pharmaceutical and/or vision benefits to any Company Employee, use reasonable best efforts to cause all pre-existing condition exclusions and actively-at-work requirements of such New Benefit Plan to be waived for such Company Employee and his or her eligible covered dependents, to the extent any such exclusions or requirements were waived or were inapplicable under any analogous Company Plan, and (iii) any eligible expenses incurred by such Company Employee and his or her eligible covered dependents under the Old Benefit Plan providing group medical, dental pharmaceutical and/or vision benefits during the portion of the plan year in which the Closing Date occurs, use reasonable best efforts to cause the foregoing to be taken into account under such analogous New Benefit Plan for purposes of satisfying all deductible, coinsurance and maximum out-of-pocket requirements applicable to such Company Employee and his or her eligible, covered dependents for the applicable plan year as if such amounts had been paid in accordance with such New Benefit Plan to the extent such amounts did not apply or were satisfied under the analogous Old Benefit Plan.

(d) From and after the Closing, Buyer and its Subsidiaries (including the Target Companies) shall honor all Company Benefit Plans in accordance with their terms and shall cause the Target Companies to honor the terms of each Labor Contract until such agreement otherwise expires pursuant to its terms or is modified by the parties thereto. Notwithstanding anything in this Agreement to the contrary, the terms and conditions of employment for any Company Employees covered by a Labor Contract shall be governed by the applicable Labor Contract until the expiration, modification or termination of such Labor Contract in accordance with its terms applicable Law.

(e) Seller shall retain all liabilities and obligations for all workers' compensation, short- and long-term disability, medical, prescription drug, dental, vision, life insurance, accidental death and dismemberment and other welfare benefit claims incurred by the Company Employees while participating in a Seller Benefit Plan providing such benefits. With respect to claims incurred on or after the Closing Date by the Company Employees and their eligible dependents under Company Plans or New Benefit Plans providing for workers' compensation, short- and long-term disability, medical, prescription drug, dental, vision, life insurance, accidental death and dismemberment and other welfare benefit claims, the Transferred Companies, Buyer or its Affiliates shall be responsible. For these purposes, a claim shall be deemed to be incurred: (i) in the case of short- or long-term disability benefits (including related health benefits), at the time of the injury, sickness or other event giving rise to the claim for such benefits, (ii) in the case of workers' compensation benefits, when the event giving rise to the claim occurs, (iii) in the case of medical, prescription drug, dental or vision benefits, at the time professional services, equipment or prescription drugs covered by the applicable plan are obtained, (iv) in the case of life insurance benefits, upon death, and (v) in the case of accidental death and dismemberment benefits, at the time of the accident. Without limiting the foregoing with respect to any Company Employee who, prior to the Closing, has a qualifying long-term disability under a Seller Benefit Plan that provides long-term disability benefits, such Company Employee shall continue to be covered under such Seller Benefit Plans for the duration of such long-term disability, in accordance with the terms and conditions of such plans. Notwithstanding any provision of this Section 4.5, if a Covered Disabled Employee cannot be covered by Buyer's (or its

Affiliate's) group health plan as of the Closing Date (or any later date specified in the Transition Services Agreement), the employment of such Covered Disabled Employee shall transfer to Seller or its Affiliates (other than the Transferred Companies) prior to the Closing Date to the extent necessary to continue such Covered Disabled Employee's health benefits, and Seller or such Affiliate shall employ such Covered Disabled Employee until he or she is cleared to return to work as an active employee, at which time the Covered Disabled Employee shall be offered employment with Buyer or one of its Affiliates (including the Transferred Companies); provided that such return-to-work date occurs within six (6) months following the Closing Date or such later date required by applicable Law or a Labor Contract. During the period following the Closing Date and until such return-to-work date with Buyer or one of its Affiliates, the Covered Disabled Employee shall not be considered a Company Employee for purposes of this Section 4.5, and Buyer shall reimburse Seller for the cost of (i) salary continuation paid to such Covered Disabled Employee under the Seller's short term disability plan and (ii) any applicable group health plan coverage under the applicable Seller Benefit Plans during the interim period at the premium or premium equivalent rate for such plan in effect for the plan year in which the Closing occurs (less the amount of any employee contribution). For purposes of this Agreement, a "Covered Disabled Employee" shall mean any Business Employee who is receiving short-term disability benefits as of the Closing Date and who is in a long-term disability waiting or exclusion period as of the Closing Date.

(f) Effective as soon as reasonably practicable after the Closing Date, Buyer shall, or shall cause its Affiliates to, have in effect flexible spending arrangements under a cafeteria plan qualifying under Section 125 of the Code (the "Buyer Flexible Spending Account Plan"). From and after the Closing Date, Buyer shall be liable for all liabilities and account balances of the Seller flexible spending account plan maintained in the United States with respect to the Company Employees and their dependents (the "Seller Flexible Spending Account Plan"), and all claims for reimbursement which have been incurred, but not been paid as of the Closing Date, shall be paid pursuant to and under the terms of the Buyer Flexible Spending Account Plan. As soon as practicable following the Closing Date, (i) Seller shall, or shall cause its subsidiaries to, transfer to Buyer or its Subsidiaries (including the Target Companies) an amount in cash equal to the excess, if any, of the aggregate contributions to the Seller Flexible Spending Account Plan made by the Company Employees prior to the Closing Date for the plan year in which the Closing Date occurs over the aggregate reimbursement payouts made to the Company Employees prior to the Closing Date for such year from such plans and (ii) Buyer shall, or shall cause its Affiliates (including the Transferred Companies or any of their respective Subsidiaries) to, cause such amounts to be credited to each such Transferred Employee's accounts under the Buyer Flexible Spending Account Plan. In connection with such transfer, Buyer shall deem that such employees' deferral elections made under the Seller Flexible Spending Account Plan for the plan year in which the Closing Date occurs shall continue in effect under the Buyer Flexible Spending Account Plan, for the remainder of the plan year in which the Closing Date occurs. If the Transferred Companies or any of their respective U.S. Subsidiaries continue to participate in the Seller Flexible Spending Account Plan after the Closing Date pursuant to the Transition Services Agreement, then all references herein to "Closing Date" shall be replaced with "end of the Transition Services Agreement" as applicable to such plan.

(g) None of Buyer or any of its Affiliates shall assume or otherwise be responsible for, and Seller shall retain and be solely responsible for, all liabilities or obligations relating to any Seller Benefit Plan that is an annual incentive or short-term bonus plan, including any such plan listed on Section 4.5(g) of the Seller Disclosure Letter, with respect to each Company Employee and shall pay bonuses thereunder no later than the date on which such annual incentive or short-term bonuses are customarily paid by Seller (or, if earlier, no later than the first payroll date occurring on or after the Closing Date), with the amount of each such bonus to equal no less than 100% of the relevant Company Employee's target bonus opportunity thereunder; provided, that, a downward adjustment from the target bonus amount shall be permitted if, and only if, a Company Employee has demonstrably and significantly underperformed with respect to relevant performance metrics applicable to such annual incentive or short-term bonus plan. If the 2020 annual incentive or short-term bonuses are paid in 2021 at a time when the Company Employees are on a payroll maintained by Buyer, Seller may elect either (i) to pay such annual incentive or short-term bonuses through its own payroll or (ii) provide Buyer with bonus payment information per individual and a cash payment equal to the sum of the aggregate amount of the annual bonuses plus the employer portion of any Taxes thereon (the "Buyer Payment Alternative"), and, in the event Seller elects the Buyer Payment Alternative, Buyer shall pay the relevant annual incentive or short-term bonuses through its payroll system on the next payroll date following the receipt of such aggregate payment from Seller, remit Taxes to the applicable Tax authority and have full Tax reporting responsibilities for such bonuses. In no event will Seller's election of the Buyer Payment Alternative serve to delay the timing of Seller's payment of the bonuses to Company Employees hereunder.

(h) Buyer agrees to provide any required notice under Worker Adjustment and Retraining Notification Act of 1988, as amended, or any similar Laws ("WARN") and any other applicable Law and to otherwise comply with any such statute with respect to any "plant closing" or "mass layoff" (as defined in WARN) or any similar triggering event under any other applicable Law occurring on or within 90 days after the Closing or arising as a result of the transactions contemplated hereby. Prior to Closing (but not later than 120 days prior to the Closing Date), Seller will provide to Buyer a list of, by termination date and work location, the name of each employee of the Transferred Companies or the Business who has experienced or will suffer an "employment loss" under WARN within the 90 days immediately preceding the Closing Date (the "WARN List"), and Seller will update the WARN List on the Closing Date.

(i) Notwithstanding anything to the contrary in this Section 4.5, Buyer's obligations under this Section 4.5 shall not limit Buyer's right, in its sole discretion, to furlough, temporarily layoff, terminate the employment of, or reduce the hours or benefits of, any employee because of, in whole or in part, COVID-19-related circumstances; provided that (1) any employee who is on furlough or temporary layoff as of the Closing Date or who is furloughed or temporarily laid off during the Continuation Period shall not be treated as Company Employee during such period other than with

respect to severance pay, if the employment of such individual is thereafter permanently terminated (with such severance pay to be calculated based on the rate of pay immediately prior to the furlough or temporary layoff); and (2) any employee whose compensation was reduced prior to the Closing Date (as reflected on Section 4.5(i) of the Seller Disclosure Letter) or whose compensation is reduced as permitted by this Section 4.5(i) and whose employment is thereafter permanently terminated shall receive severance pay based on the rate of pay immediately prior to such compensation reduction.

(j) Without limiting the generality of Section 4.5(b) or Section 4.5(c), as soon as reasonably practicable following the Closing Date, Buyer or its affiliates shall have in effect one or more defined contribution plans that include a qualified cash or deferred arrangement within the meaning of Section 401(k) of the Code (and a related trust exempt from tax under Section 501(a) of the Code) (collectively, the “Buyer 401(k) Plan”). Each Company Employee who is eligible to participate in Benefit Plan that includes a qualified cash or deferred arrangement within the meaning of Section 401(k) of the Code (the “Seller 401(k) Plan”) immediately prior to the Closing Date shall be eligible to participate in the Buyer 401(k) Plan as soon as reasonably practicable following the Closing Date. Prior to the Closing Date, Seller shall fully fund all employer contributions to the Seller 401(k) Plan on behalf of the Company Employees that would have been made on behalf of such employees had the transactions contemplated by this Agreement not occurred, regardless of any service or end-of-year employment requirements, but prorated for the portion of the plan year that ends on the Closing Date and shall fully vest all account balances or benefits of each Company Employee under the Seller 401(k) Plan or any other Seller Plan. Buyer shall cause the Buyer 401(k) Plan to accept an “eligible rollover distribution” (within the meaning of Section 402(c)(4) of the Code) to such Buyer 401(k) Plan of the account balances of each Company Employee in cash (but including promissory notes evidencing all outstanding loans) under the Seller 401(k) Plan, if such direct rollover is elected in accordance with applicable Law by such Company Employee.

(k) On or before the Closing Date, Seller shall take or cause to be taken all actions as are necessary or appropriate to cause the cessation of participation and coverage of all current and former Non-Business Employees or any other current or former employee of the Retained Business or Seller Group, and in each case, any dependents and beneficiaries thereof (each, a “Non-Business Participant”) in any and all Company Plans with such cessation to be effective no later than the Closing. Seller shall provide to Buyer such reasonable evidence as Buyer requests of the foregoing actions, and Seller Group shall assume, retain, and be solely responsible for all obligations and liabilities at any time arising in connection with the employment or service with or termination of employment or service from the Target Companies of any Non-Business Employee and the participation at any time of any Non-Business Participant in any Company Plan. Except as assumed by Buyer or its Affiliates under Section 4.5, none of Buyer or any of its Affiliates (including after the Closing, the Target Companies) shall assume, and Seller Group shall retain, any obligation or liability with respect to any Seller Benefit Plan or any other benefit or compensation plan, program, policy, contract, agreement or arrangement at any time sponsored by Seller Group, or otherwise with respect to any current or former employee (or beneficiary or dependent thereof) of the Retained Business or Seller Group.

(l) Seller and its Affiliates (other than the Target Companies) shall be solely responsible for and retain any and all obligations arising under COBRA with respect to all “M&A qualified beneficiaries” as defined in Treasury Regulation §54.4980B 9.

(m) The provisions contained in this Section 4.5 with respect to any Company Employee are included for the sole benefit of the parties and shall not create any right or remedy whatsoever, including any third-party beneficiary rights, in any other Person, including any Company Employee (or dependent or beneficiary of any of the foregoing) by reason of this Section 4.5. Nothing herein shall be deemed an amendment to or creation or termination of any Company Plan, New Plan or Old Benefit Plan or any other benefit or compensation plan, policy, program, contract, agreement or arrangement, or shall be deemed to prohibit or restrict Buyer, the Transferred Companies or any of their respective Affiliates from establishing, amending or terminating any Company Plan, Old Benefit Plan, New Plan or any other benefit or compensation plan, policy, program, contract, agreement or arrangement maintained by any of them.

Section 4.6 Public Announcements. Except as required by applicable Law or stock exchange rules, neither Buyer nor Seller shall make, or permit any of their Affiliates or representatives to make, any public announcement in respect of this Agreement, the Ancillary Agreements or the transactions contemplated hereby without the prior written consent of the other party; provided that a party may make a public disclosure that is consistent with prior disclosures made in compliance with this Section 4.6. For the avoidance of doubt, the parties acknowledge that certain filings made pursuant to Section 4.3 will be publicly available.

Section 4.7 Insurance.

(a) Buyer acknowledges and agrees that, from and after the Closing Date, each of the Target Companies, as well as the Assets shall cease to be insured by any insurance policies or any self-insured programs of Seller or Seller’s Affiliates. After the date hereof, Seller and its Subsidiaries will use their reasonable best efforts to continue to carry their existing Insurance Policies with respect to the Business through the Closing, and shall use their reasonable best efforts not to allow any cancellation or lapse of any material Insurance Policy (other than expiration and replacement of policies on terms reasonably available on the market and consistent with past practice).

(b) Notwithstanding Section 4.7(a), from and after the Closing, with respect to claims for events or circumstances relating to the Business, the Assets or the Target Companies that occurred or existed prior to the Closing Date (including, for the avoidance of doubt, claims that might be brought after the Closing Date but arising from events that occurred prior to Closing Date) and that are covered by occurrence-based third-party liability insurance policies of Seller or its Affiliates, Seller shall retain and administer all such claims and claims payments and Buyer shall reimburse up to 50% of Seller’s reasonable and documented out-of-pocket expenses incurred in connection therewith. Seller shall use reasonable best efforts to obtain recoveries under such policies

and any amounts actually recovered in respect of such claims shall be (i) first, distributed pro rata between Buyer and Seller to reimburse each party for its portion of any deductible and (ii) (A) remitted to Buyer, (less Seller's or its Affiliates' costs and expenses) if Buyer is the party suffering the losses for which the claim is made, (B) retained by Seller if Seller is the party suffering the losses for which the claim is made or (C) distributed between Buyer and Seller in proportion to their respective losses if each of Buyer and Seller suffer losses for which the claim is made; provided that in no event shall Seller be required to initiate any Litigation to pursue or collect such recoveries. Buyer shall, at its expense, cooperate with Seller in connection with all claim negotiation and settlement opportunities. This Section 4.7 shall not be considered as an attempted assignment of any policy of insurance or as a contract of insurance, and nothing in this Section 4.7(b) is intended to waive or abrogate in any way Seller's own rights to insurance coverage for any liability.

(c) Subject in all respects to the other express provisions of this Agreement, if any of the assets of the Business or the Target Companies is damaged by fire or other casualty, or suffers any loss covered by Seller's or Seller's Affiliates property, casualty or comprehensive general liability coverage, occurring following the date hereof and prior to the Closing, Seller shall, on the Closing Date, (i) assign and remit to Buyer, and Buyer shall be entitled to receive and keep, the net proceeds of the sum of (A) any award or other proceeds actually received under the relevant property, casualty or comprehensive general liability insurance policy that may have been collected by Seller or Seller's Affiliates as a result of such casualty, less (B) the costs, fees and expenses incurred by Seller or Seller's Subsidiaries in actually repairing or restoring such asset, or (ii) if no award or other proceeds shall have been collected, deliver to Buyer an assignment of Seller's or Seller's Subsidiaries' right to any such award or other proceeds that may be payable to it as a result of such casualty; provided, however, that (x) any applicable deductible under the relevant insurance policy shall be borne by Buyer and (y) any business interruption insurance awards or proceeds or any portion thereof (or the right to receive such proceeds) (A) in respect of any losses to the extent applicable to any time period prior to Closing, shall be retained by Seller and (B) in respect of any losses to the extent applicable to any time period following Closing, shall be assigned or transferred by Seller or Seller's Subsidiaries to Buyer. Seller further acknowledges and agrees to (1) use reasonable best efforts to take all actions to mitigate any such damage or the effects thereof to such asset, (2) notify Buyer as promptly as practicable upon obtaining knowledge of any such damage, and (3) keep Buyer reasonably informed on a regular basis of the status of any and all remediation efforts, consult with Buyer in good faith, and provide Buyer with such information as reasonably requested by it.

Section 4.8 Release of Guarantees; Intercompany Accounts; Affiliate Arrangements.

(a) Buyer shall use its reasonable best efforts, and Seller shall reasonably cooperate with Buyer, to cause each Seller Guaranty to be released and cancelled at the Closing; provided, however, that to the extent that any Seller Guaranty cannot be so released and cancelled, Buyer shall use reasonable best efforts to cause itself or one of its Affiliates to be substituted for the member of Seller Group directly affected thereby in

respect of such Seller Guaranty (or if not possible, added as the primary obligor with respect thereto) to be effective as of Closing. If Buyer is not able to either release and cancel such Seller Guaranty or Buyer is not able to cause itself or one of its Affiliates to be so substituted in all respects of such Seller Guaranty as of the Closing, then (i) Seller shall, or shall cause its Subsidiary to, maintain such Seller Guaranty in accordance with its terms and (ii) Buyer shall indemnify, defend and hold harmless such member of Seller Group with respect to all Losses (not to exceed the amount of the applicable guarantee provided for by any member of Seller Group as of the date hereof) that might arise or be incurred by such member of Seller Group with respect to any such Seller Guaranty to the extent of such liability, except as a result of such member of Seller Group's gross negligence or willful misconduct.

(b) Except as set forth in Section 4.8(b) of the Seller Disclosure Letter, on or prior to the Closing Date, Seller shall, and shall cause Seller Group, to cause all Affiliate Arrangements to be settled and/or terminated and canceled without any further liability to, or obligation of, the Transferred Companies, their respective Subsidiaries from and after the Closing (or any liability to, or obligation of, Buyer or its Affiliates).

Section 4.9 Name Change. As soon as practicable following the Closing Date, and in any event within 20 Business Days thereafter, Buyer will, and will cause its Affiliates to, commence any action or procedure necessary in order to change, and will as soon as reasonably practicable thereafter change, the name of each of the Target Companies whose name includes "Gogo" to a name that does not include "Gogo."

Section 4.10 Use of Seller Marks.

(a) As of the Closing Date, Seller Group grants each of the Target Companies and Buyer and its Affiliates a limited, non-exclusive, non-transferable license to use the Seller Marks solely in connection with the Business, solely in the manner in which such Seller Marks were used in the Business in the 12 months prior to the Closing Date, for a period beginning on the Closing Date and ending on the date that is 24 months following the Closing Date with respect to (i) the use of such Seller Marks on vehicles, planes, equipment, facilities, signage, stationery, business cards, print advertising materials, inventory, packaging, product, service and training literature, and other similar materials bearing the Seller Marks, and (ii) all electronic or digital uses of such Seller Marks, including on Internet-hosted websites and advertisements, and digital and mobile applications. Notwithstanding anything in the foregoing to the contrary, the Target Companies and Buyer and its Affiliates shall have the right to (A) retain instances of the Seller Marks solely for archival and compliance reporting purposes in internal documents and records created during the foregoing license periods in clauses (i) and (ii); (B) not destroy, remove or cover up such Seller Marks solely to the extent in any (x) products, tools, utilities, documents or other materials that have been sold, delivered, distributed or installed by or for, or otherwise provided to any, third party prior to the date that is 24 months following the Closing Date, and are not in the possession or control of the Target Companies, or of Buyer and its Affiliates (subject to the following sentence), or (y) Software, materials or documents (which shall include filenames, header files, and other text and files in Software) that are not visible or functional uses in Software (*e.g.*,

function calls, APIs, etc.); and (C) use such Seller Marks (and shall not be considered to be in breach of this Section 4.10 as a result of the use of such Seller Marks) for internal purposes in a non-trademark manner; provided that in each case under (A)-(C), such use is and remains at all times in compliance with any quality control and other requirements described herein. Buyer shall use reasonable best efforts to cause third parties with which it has a contractual relationship (including, but not limited to, the Target Companies' customers or suppliers) to remove, by the end of the 24-month period referenced above, the Seller Marks from any tangible, digital or electronic mediums or materials used by such third parties.

(b) Any use of the Seller Marks by the Target Companies or by Buyer or its Affiliates, and all goodwill arising therefrom, shall inure to the benefit of Seller Group. None of the Target Companies, Buyer or any of Buyer's Affiliates shall contest the ownership or validity of any rights of Seller Group in or to the Seller Marks.

(c) Nothing in this Section 4.10 shall preclude the Target Companies, Buyer or Buyer's Affiliates from making, at any time, any reference to the Seller Marks in internal or archived historical, tax, employment or similar records or in connection with offering memoranda, prospectuses, registration statements or similar documents circulated to prospective investors or financing sources or as otherwise reasonably necessary or appropriate to describe the historical relationship of Seller Group with the Target Companies or as otherwise required by applicable Laws.

(d) As soon as practicable following the Closing Date, and in any event within 20 Business Days thereafter, Buyer will, and will cause its Affiliates to, commence any action or procedure necessary in order to change, and will as soon as reasonably practicable thereafter change, the name under which the Aviation Authorizations and Communications Authorizations are held to a name that does not include the Seller Marks. Seller Group consents to the continued use by the Target Companies and Buyer and its Affiliates of the Seller Marks to keep any and all Aviation Authorizations or Communications Authorizations in effect, and comply with any public disclosure requirements associated with those Aviation Authorizations or Communications Authorizations, until such time as the Aviation Authorizations or Communications Authorizations are reissued in the name of a Target Company.

Section 4.11 Director and Officer Indemnification.

(a) From and after the Closing, Buyer shall, or shall cause the Target Companies to, indemnify, defend and hold harmless, to the fullest extent permitted under applicable Law or provided under the Organizational Documents of the Target Companies in effect as of the date hereof and furnished to Buyer, the Persons who at or prior to the Closing were directors, officers, managers or managing members of any of the Target Companies (in such capacities) (collectively, the "D&O Indemnitees"), with respect to all acts or omissions by any of them or taken at the request of any of the Target Companies, as applicable, in each case, at or prior to the Closing.

(b) Buyer agrees that it shall, and shall cause the Target Companies to, ensure that all rights of the D&O Indemnitees, to advancement, indemnification and exculpation from Losses for acts or omissions occurring at or prior to the Closing and, in each case, as provided in the Organizational Documents of any of the Target Companies and any indemnification agreements or arrangements of any of Target Companies (in each case, as in effect on the date of this Agreement and furnished to Buyer), shall, in each case, survive the Closing and shall continue in full force and effect in accordance with their terms. Such rights, agreements or arrangements shall not be amended or otherwise modified for a period of six years following the Closing Date in any manner that would adversely affect the rights of the D&O Indemnitees unless such modification is expressly required by Law.

(c) In addition, from and after the Closing, Buyer shall, or shall cause the Target Companies to, advance any expenses (including fees and expenses of legal counsel) of any D&O Indemnitee under this Section 4.11 (including in connection with enforcing the indemnity and other obligations referred to in this Section 4.11), as incurred to the fullest extent permitted under applicable Law; provided that the Person to whom expenses are advanced shall provide an undertaking to repay such advances if its ultimately determined that such D&O Indemnitee is not entitled to indemnification.

To the extent that such plan is not available on such terms and conditions at the Closing, Buyer will, or will cause the Target Companies to, purchase a directors' and officers' liability "tail" or "runoff" insurance program, reasonably satisfactory to Seller, for a period of six years after the Closing (such coverage shall have an aggregate coverage limit over the term of such policy in an amount reasonable and appropriate for directors and officers of subsidiaries of a publicly traded company (and, for the avoidance of doubt, not directors and officers of a publicly traded company)).

(e) In the event that Buyer, a Target Company, or any of their respective successors or assigns (i) consolidates with or merges into any other Person and is not the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, in each such case, Buyer shall use reasonable best efforts to ensure that the successors and assigns of Buyer or such Target Company, as applicable, shall assume all of the obligations of Buyer and such Target Company, as applicable, set forth in this Section 4.11.

(f) The D&O Indemnitees who are entitled to the indemnification, liability limitation, exculpation and insurance set forth in this Section 4.11 are intended to be third-party beneficiaries of this Section 4.11. This Section 4.11 shall survive the consummation of the transactions contemplated by this Agreement and shall be binding on all successors and assigns of Buyer.

(g) For the avoidance of doubt, in the event that (i) a D&O Indemnitee is entitled to indemnification hereunder in connection with any acts or omissions that arose at or prior to the Closing and (ii) such acts or omissions relate to a claim for which a Buyer Indemnitee is entitled to indemnification pursuant to Section 8.1, the aggregate amount of the indemnification paid or payable to the D&O Indemnitees in connection with such acts or omissions shall be deemed a Loss of Buyer for purposes of Section 8.1.

Section 4.12 Bulk Transfer Laws. Buyer hereby waives compliance by Seller and its Affiliates with the provisions of any so-called “bulk transfer laws” of any jurisdiction in connection with the transactions contemplated by this Agreement and the Ancillary Agreements.

Section 4.14 Commercial Agreements. At the Closing, Seller and Buyer shall enter into the Commercial Agreements.

(a) Seller shall file or cause to be filed applications for the issuance of the licenses set forth on Section 4.17(a) of the Seller Disclosure Letter (the “Licenses”) as promptly as practicable following the date hereof, but in no event later than 10 Business Days following the execution and delivery of this Agreement (unless a later period is agreed to in writing by both Buyer and Seller).

(b) On or following the Closing Date, Seller shall register, or update any existing registration or similar information to reflect, the transfer of all Domain Names that are Excluded Assets as of the Closing Date (as determined in accordance with the process described in the footnote to Section 2.11(a) of the Seller Disclosure Letter) held by the Target Companies to the applicable member of the Seller Group.

Section 4.18 Regulatory Consents. To the extent that any Communications Authorizations Consent (other than the FCC Approval) is not obtained by the Closing Date or, after the date hereof, Seller and Buyer discover that the consent of a Governmental Authority that issues the Aviation Authorizations or the Communications Authorizations (including, for the avoidance of doubt, any Permits that should have been scheduled on Section 2.26(a) or Section 2.27(a) of the Seller Disclosure Letter, as applicable) is required in order to consummate the transactions contemplated hereby, the parties shall cooperate in any lawful arrangement designed to provide Buyer with access to such Communications Authorizations or Aviation Authorizations necessary in order to permit Buyer to conduct the Business immediately following the Closing in a substantially similar manner to how the Business was conducted as of the date hereof; provided that such arrangement does not materially and adversely affect the operations of the Business or the Retained Business.

Section 4.19 Resignations. On or prior to the Closing Date, Seller will deliver to Buyer the duly signed resignation letters, in form and substance reasonably satisfactory to Buyer, effective as of the Closing, of all officers and directors of the Target Companies (other than those specified by Buyer in writing) from their officer or director positions, as applicable, with any of the Target Companies (the "Resignation Letters").

Section 4.20 Exclusivity. From the Effective Date until the Closing Date, Seller shall not, and shall cause its Subsidiaries and its and their respective Representatives and any other Person acting on its or their behalf to not, directly or indirectly, (a) solicit, initiate, encourage, enter into, conduct, engage in or continue, any discussions, negotiations or communications, or continue any discussions, negotiations communications, contract or understandings, whether written or oral or binding or non-binding, or provide any information or afford access to the properties, books or records of the Target Companies or relating to the Business to any Person (other than Buyer or its Affiliates or Representatives), in each case, concerning a sale (or possible sale) of all or any part of the Business, the Transferred Assets or the Target Companies, whether such transaction takes the form of a sale of securities or other equity interests, merger, liquidation, dissolution, reorganization, recapitalization, consolidation, sale of assets (including all or a material portion of the assets or any interest therein) or otherwise (an "Alternative Transaction"). (b) agree to, accept, approve, endorse or recommend (or propose or announce any intention or desire to agree to accept, approve, endorse or recommend) any Alternative Transaction or (c) submit any Alternative Transaction to the vote of its stockholders. Seller shall, and shall cause its Subsidiaries and its and their respective Representatives to, immediately discontinue any ongoing communications or negotiations relating to any Alternative Transaction and instruct each other participant in the sale process to return or destroy any confidential information of Seller and its Subsidiaries (and terminate access to any data room for each such other participant). Seller shall promptly notify Buyer in the event that it or its Subsidiaries or Representatives receives any request for information, proposals, inquiries or other contact from any Person relating to an Alternative Transaction (including the identity of such Person, the material terms of any proposal and a reasonable summary of all communications).

Section 4.21 COVID-19. Seller shall keep Buyer reasonably informed as to any actions taken or proposed to be taken in connection with any COVID-19 Measures that would affect the Business or the Target Companies (including their assets, properties or employees) (and, to the extent reasonably practicable, provide Buyer with reasonable advance notice and a reasonable opportunity to review and comment on such policies, procedures and protocols, and Seller will consider in good faith any such comments by Buyer).

Section 4.22 Refunds and Remittances. After the Closing, (a) if Seller or its Affiliates receive any refund or other amount that is properly due and owing to Buyer in accordance with the terms of this Agreement, Seller promptly will remit, or will cause to be remitted such amount to Buyer, and (b) if Buyer or any of its Affiliates receive any refund or other amount that properly due and owing to Seller or any of its Affiliates in accordance with the terms of this Agreement, Buyer promptly will remit, or will cause to be remitted such amount to Seller, in each case, except as otherwise provided in Article 5.

Section 4.23 Restrictive Covenants.

(a) From the date hereof and until the second anniversary of the Closing Date, Seller shall not, and shall cause its Subsidiaries not to, without the prior written consent of Buyer, directly or indirectly, solicit for employment or hire (or cause to be solicited or hired) any Key Employee; provided that Seller and its Subsidiaries may (i) solicit or hire for employment any Key Employee who has not been employed by a Target Company for a three-month period prior to commencement of employment discussions with such person, and (ii) engage in general solicitations of employment (including through bona fide search firms and agencies) in the ordinary course of business consistent with past practice not specifically directed at Company Employees.

(b) Seller shall not, and shall cause its Subsidiaries not to, for a period of five years following the Closing Date (the “Non-Competition Period”), engage (whether on its own account, or as an owner, operator, manager, investor or provider of financing) in a Competing Business anywhere in the world; provided that if Seller or its Subsidiaries wish to sell services or equipment in any jurisdiction other than the United States or Canada related to an air-to-ground network and such actions would otherwise be restricted by this Section 4.23(b), it shall notify Buyer in writing and, for a period of 30 days thereafter, negotiate with Buyer and its Subsidiaries for their right to be the sole re-seller of such air-to-ground network services in the commercial aviation market in such jurisdiction; provided, further, that if no agreement can be reached within such 30-day period, Seller and its Subsidiaries shall be permitted to proceed with such sale of services or equipment. Notwithstanding anything to the contrary in the foregoing, nothing in this Section 4.23(b) shall prevent Seller Group, during the Non-Competition Period, from: (i) collectively owning up to five percent of the publicly traded debt or equity securities of any Person that engages in any Competing Business, or (ii) performing obligations required under this Agreement or any Ancillary Agreement; provided that if Buyer forfeits its right to exclusivity under the ATG Network Sharing Agreement, the restrictions set forth in this Section 4.23(b) shall no longer apply to Seller or its Subsidiaries with respect to the sale of services or equipment related to Seller’s air-to-ground cellular network. For purposes of this Section 4.23(b), “Competing Business” means any business that competes with the Business as the Business was conducted in the 12-month period immediately preceding the Closing Date; provided, however, that the Retained Business as conducted on the date hereof shall be deemed not to be a Competing Business.

(c) Buyer shall not, and shall cause its Subsidiaries not to, during the Non-Competition Period, engage (whether on its own account, or as an owner, operator, manager, investor or provider of financing) in a Competing Business anywhere in the United States and Canada. For purposes of this Section 4.23(c), “Competing Business” means any business that competes with the Retained Business as the Retained Business was conducted in the 12-month period immediately preceding the Closing Date; provided, however, that the Business and Buyer’s existing contract(s) with Satcom Direct, Inc. and any extension, renewal or amendment thereof, each as conducted on the date hereof shall be deemed not to be a Competing Business.

(d) The nature and scope of the foregoing provisions of Section 4.23(a), Section 4.23(b) and Section 4.23(c) have been carefully considered by the Parties. The Parties agree and acknowledge that the duration, scope and geographic areas applicable to such provisions are fair, reasonable and necessary and that adequate consideration has been received, directly or indirectly, by Buyer and Seller for such obligations. If at the time of enforcement of this Agreement, a court of competent jurisdiction holds that the restrictions stated in Section 4.23(a), Section 4.23(b) or Section 4.23(c) are unreasonable under circumstances then existing, the Parties agree that the maximum period, scope or geographical area reasonable under such circumstances shall be substituted for the stated period, scope or area and that the court shall be allowed to revise the restrictions contained herein to cover the maximum period, scope and area permitted by Law.

(e) Seller shall not, and shall cause its Subsidiaries not to, and shall instruct its and their respective Representatives not to, without the prior written consent of Buyer, disclose to any Person (other than each other and their respective Representatives) any confidential or proprietary information with respect to the Target Companies or the Business (the “Target Company Confidential Information”); provided that the foregoing restriction shall not (i) apply to any information (A) to the extent pertaining to the Retained Business, (B) that is or becomes generally available to, or known by, the public (other than as a result of disclosure in violation of this Agreement or an Ancillary Agreement) or (C) that was made available to Seller Group or any of their respective Representatives by a third party who was not prohibited by Law or contract from disclosing such information, or (ii) prohibit any disclosure (A) required by applicable Law, rule (including any stock exchange rules), regulation, legal, judicial, governmental or administrative body or process so long as, to the extent legally permissible, Seller provides Buyer with reasonable prior notice of such disclosure and Seller shall use reasonable best efforts to seek (at Buyer’s request and then cost and expense) confidential treatment if such disclosure is required or (B) necessary to be made in connection with the enforcement of any right or remedy relating to this Agreement or the Ancillary Agreements.

Section 4.24 Litigation Cooperation. From and after the Closing Date, each of Seller and Buyer will, and will cause its Affiliates and their respective employees to, use reasonable best efforts to cooperate with the other party, its Affiliates and their respective Representatives (at such other party's sole cost and expense) with respect to any third-party claims or third-party lawsuits relating to the Business which cooperation, in each case, will include furnishing or causing to be furnished by Buyer or Seller, as applicable (and its Affiliates and their respective employees) deposition or testimony as reasonably requested by Seller or Buyer, as applicable, its Affiliates or their respective Representatives; provided, however, that, for the avoidance of doubt, neither party shall be obligated to cooperate with the other party if Seller or its Affiliates, on the one hand, or Buyer or its Affiliates, on the other hand, are adverse parties in such third-party claim or third-party lawsuit and such cooperation is reasonably pertinent thereto.

Section 4.25 Financing.

(a) Subject to the terms and conditions of this Agreement, Buyer shall use its reasonable best efforts to (i) maintain in effect the DIP Credit Agreement (subject to the right of Buyer to replace, restate, supplement, modify, assign, substitute or amend the DIP Credit Agreement in accordance herewith), (ii) satisfy on a timely basis or obtain the waiver of all conditions applicable to the DIP Borrower or its subsidiaries contained in the DIP Credit Agreement (or any definitive agreements related thereto) that are in the control of the DIP Borrower or its subsidiaries, (iii) if applicable, obtain a DIP Amendment in form and substance reasonably satisfactory to Seller (it being agreed that the DIP Amendment entered on August 24, 2020 is satisfactory to Seller), and (iv) enforce its rights under the DIP Credit Agreement. Buyer shall give Seller prompt notice upon having knowledge of any breach by any party of any of the provisions of the DIP Credit Agreement that would reasonably be expected to delay the Closing. Buyer shall promptly provide Seller with any material notices from the DIP Lenders relating to the availability of the DIP Financing at the Closing.

(b) Other than as set forth in Section 4.25(c) or Section 3.4(d), Buyer shall not, without the prior written consent of Seller, permit any material amendment or modification to be made to, or any material waiver of any provision or remedy under, the DIP Credit Agreement to the extent such amendment, modification or waiver would (i) impose new or additional conditions to the receipt of the DIP Financing, or otherwise amend or modify any of the conditions, to the receipt of the DIP Financing in a manner that would reasonably be expected to prevent or materially impair or delay the Closing or (ii) reduce the aggregate amount of the DIP Financing such that Buyer would not or does not have sufficient cash proceeds (together with cash on hand or from other sources) to permit Buyer to pay the Required Amount; provided that Buyer shall notify Seller in writing, and provide to Seller complete and correct copies of, of any amendment, supplement or other modification of, or waiver of any provision or remedy under, the DIP Credit Agreement (including any DIP Amendment) not otherwise prohibited by the foregoing clause (i) or (ii), and in any event within two Business Days, promptly after the time such amendment, supplement, modification or waiver is agreed. Upon any such amendment, supplement or other modification of, or waiver under, the DIP Credit Agreement in accordance with this Section 4.25(b) or Section 3.4(d), the term "DIP Credit Agreement" shall mean the DIP Credit Agreement as so amended, supplemented, modified or waived.

(c) If any portion of the DIP Financing becomes unavailable on the terms (unless acceptable to the DIP Borrower and not involving any reduction in the aggregate amount of the DIP Financing such that Buyer would not or does not have sufficient cash proceeds (together with cash on hand or from other sources) to pay the Required Amount) and conditions set forth in the DIP Credit Agreement (including any amendment thereto that is not prohibited by Section 4.25(b)), Buyer shall (x) promptly, and in any event within two Business Days, notify Seller of such unavailability and (y) promptly use its reasonable best efforts to arrange and obtain alternative financing for any such portion of the DIP Financing from the same or alternative sources, which may include one or more of a senior secured debt financing, an offering and sale of notes, or any other financing or offer and sale of other debt securities, or any combination thereof, in an amount sufficient to pay the Required Amount (the “Alternative Financing”); provided that Buyer shall not be required to arrange or obtain any Alternative Financing having (i) terms materially less favorable to Buyer in the aggregate than the terms contained in the DIP Credit Agreement or (ii) additional conditions to the receipt of funding as contained in the DIP Credit Agreement. In the event Buyer enters into any Alternative Financing, (i) any reference in this Agreement to the “DIP Credit Agreement” shall be deemed to include the principal definitive agreement with respect to such Alternative Financing, (ii) any reference in this Agreement to the “DIP Financing” shall be deemed to include such Alternative Financing and (iii) any reference in this Agreement to the “Debt Financing Sources” shall be deemed to include the persons providing or arranging such Alternative Financing; provided, further, that Buyer shall deliver to Seller complete and correct copies (subject, in the case of any fee letters, to redactions reasonably acceptable to the financing sources of such Alternative Financing, none of which shall adversely affect the availability of such Alternative Financing at the Closing) of all amendments, supplements, other modifications or agreements pursuant to which any Alternative Financing shall be made available to Buyer promptly, and in any event within two Business Days, after the time such amendments, supplements, other modifications or agreements are agreed.

(d) Prior to the Closing, Seller shall provide, and shall cause each of its Subsidiaries to provide, and shall use reasonable best efforts to cause its and their respective Representatives to provide, at Buyer’s sole expense, such cooperation in connection with the arrangement of any debt financing (including the DIP Financing and/or an Alternative Financing) as may be reasonably requested by Buyer, including, (A) making available to Buyer, its advisors and its financing sources such financial and other pertinent information regarding Seller and each of its Subsidiaries as may be reasonably requested by Buyer or its financing sources; (B) assisting with the preparation of lender and investor presentations, rating agency presentations, marketing materials and other similar documents and materials in connection with such debt financing and participating in a reasonable number of meetings, presentations, road shows, drafting sessions and due diligence sessions with providers or potential providers of such debt financing and ratings agencies and otherwise assisting in the marketing efforts of Buyer and the financing sources; (C) the delivery, at least three Business Days prior to Closing,

of all documentation and other information about Seller as has been reasonably requested by Buyer, its advisors and its financing sources in writing at least nine Business Days prior to Closing with respect to applicable “know your customer” and anti-money laundering rules and regulations, including the USA PATRIOT Act; and (D) assisting with Buyer’s preparation and execution of definitive financing documentation and the schedules and exhibits thereto, including any loan agreements, loan agreement joinders, guarantees, collateral agreements, hedging arrangements, customary officer’s certificates and corporate resolutions, as applicable, as may reasonably be requested by the Buyer and subject to the occurrence of the Closing; provided, however, that nothing in this Agreement will require any such cooperation to the extent that it would (i) require Seller, its Subsidiaries or their respective Representatives to pay any fees or reimburse any expenses prior to the Closing for which it has not received prior reimbursement or is not otherwise indemnified by or on behalf of Buyer, (ii) require Seller, its Subsidiaries or their respective Representatives to enter into any certificate, agreement, arrangement, document or instrument that is not contingent upon the Closing or that would be effective prior to the Closing, other than the customary authorization letters, (iii) require Seller, its Subsidiaries or their respective Representatives to give to any other Person any indemnities in connection with such debt financing that are effective prior to the Closing, (iv) require Seller, its Subsidiaries or their respective Representatives to enter into or approve any debt financing or any definitive documentation for any debt financing that would be effective prior to the Closing (other than the customary authorization letters), (v) unreasonably interfere with the ongoing business operations of Seller and its Subsidiaries or (vi) require Seller, its Subsidiaries or their respective Representatives to take any action that would reasonably be expected give rise to any liability in connection with and such debt financing (including the DIP Financing or an Alternative Financing) (except that the Transferred Companies may incur such liability to the extent effective only upon or after the Closing) and provided, further, that notwithstanding anything in this Agreement to the contrary, the condition in Section 6.2(a) as it applies to the Seller’s obligations under clauses (A) and (B) of this Section 4.25(d) will be deemed satisfied unless (x) Seller has failed to satisfy its obligations under such clauses (A) and (B), (y) Buyer has notified Seller of such failure in writing within a sufficient amount of time prior to the Closing to afford Seller with a reasonable opportunity to cure such failure, and (z) such failure has been a proximate cause of Buyer’s inability to obtain an amount of financing that is sufficient (together with Buyer’s other sources of Liquidity (as defined in the DIP Credit Agreement)) to pay the Final Purchase Price on the Closing Date. Seller hereby consents to the use of the logos of Seller and its Affiliates in connection with any such debt financing; provided that such logos shall be used solely in a manner that is not intended or reasonably likely to harm, disparage or otherwise adversely affect Seller or its Subsidiaries or their reputation or goodwill.

(e) Buyer shall defend, indemnify and hold harmless the Seller Indemnitees (as defined in Section 8.2 below) from and against any and all Losses which any Seller Indemnitee may incur or suffer, or become subject to, at any time, that are caused by, arise out of or result from any action taken by them pursuant to this Section 4.25 and the provision of any information utilized in connection therewith or otherwise arising from the DIP Financing, except to the extent such Losses, liabilities, fees, costs and expenses arise out of (i) historical information provided by Seller, the Transferred Companies or

any of their respective Subsidiaries, Affiliates or Representatives and/or (ii) the bad faith, gross negligence or willful misconduct of, or material breach of this Agreement by, Seller, the Transferred Companies or any of their respective Subsidiaries, Affiliates or Representatives. Buyer shall, promptly upon request of Seller, reimburse the Seller Indemnitees for all reasonable and documented out-of-pocket fees, costs and expenses (including documented and invoiced fees, costs and expenses of counsel) incurred by such Persons in connection with the cooperation required by this Section 4.25.

(f) For a period of six months following the Closing Date, if and to the extent requested by Buyer, Seller shall assist, and shall cause each of its Subsidiaries to assist, and shall use reasonable best efforts to cause its and their respective Representatives to assist, at Buyer's sole expense, in the preparation of (i) audited financial statements of the Business prepared on a stand-alone basis in accordance with GAAP for the years ended December 31, 2018, 2019 and 2020 and (ii) unaudited interim financial statements of the Business for each subsequent quarterly period ended prior to the Closing and (iii) pro forma financial statements reflecting the acquisition by Buyer of the Business, including, in each case, providing on a timely basis, to Buyer and its Representatives all cooperation, financial information, financial data and other pertinent information or assistance reasonably requested by Buyer or its Representatives in connection therewith.

(g) The DIP Borrower and its subsidiaries shall maintain Liquidity (as defined in the DIP Credit Agreement) sufficient to pay the Final Purchase Price and to effect all other transactions contemplated by this Agreement and the Ancillary Agreements.

(h) Subject to the terms and conditions of this Agreement, the DIP Borrower and its subsidiaries shall incur the DIP Financing on a timely basis (and in any event, no later than on the Closing Date) in an amount that is sufficient, when taken together with the Unrestricted Cash Amount (as defined in the DIP Credit Agreement), to pay the Final Purchase Price and to effect all other transactions contemplated by this Agreement and the Ancillary Agreements.

Section 4.26 Separation and Migration.

(a) Buyer and Seller will commence development of a separation and migration plan ("Separation and Migration Plan"), promptly following the date hereof, that will address and schedule the plans by which each Party will (i) logically and physically separate the IT Systems, data, records, components and other assets of (x) the Business from those that are applicable to or part of the Retained Business, in the case of Seller, or (y) the Retained Business from those that are applicable to or part of the Business, in the case of Buyer, in each case, to enable the migration thereof to the other Party ("Separation"); provided that, with respect to data and records separated from the IT Systems of a Party and to be converted for use by the other Party following the Closing, any such separation and conversion shall be limited to converting the data into a format readable by a generally commercially available replacement data system, and shall not include additional modifications to the extent not necessary to convert to such replacement data system, such as data scrubbing, the creation of APIs or creating additional data schema, and (ii) migrate, or will cause to be migrated, to the other Party

the provision of Services (as defined in the Transaction Services Agreement) and any IT Systems applicable to or part of the other Party's business (including migrating from such Party's systems, facilities, and hosting environments) by the expiration of the term of the Transition Services Agreement ("Migration" and services such Party will provide in association with Migration, the "Migration Services"). The Separation and Migration Plan shall include, among other things, the following: (i) phases of implementation, (ii) milestones, (iii) the anticipated completion date for the Migration, (iv) each Party's roles and responsibilities and (v) service interdependency issues.

(b) Buyer and Seller will assemble a migration and governance committee ("Migration Committee") promptly following the date hereof. The Migration Committee shall oversee the Separation and Migration Plan, including determining how to deploy employees in connection with the Separation and the Migration Services. The Migration Committee shall be composed of at least two representatives of each of Buyer and Seller and shall meet at least weekly (unless otherwise mutually agreed) during the period of Migration and until the Separation and the Migration Services are completed. Such meetings may be held telephonically or through video conference. Neither the Migration Committee nor any member of the Migration Committee shall have the right to make binding commitments on either Buyer or Seller. Notwithstanding anything to the contrary herein, each Party shall (i) bear its own costs and expenses relating to the development of the Separation and Migration Plan, as well as any governance, dispute resolution and contract management activities hereunder, (ii) be reimbursed 50% by the other Party for its reimbursable third-party costs incurred by such Party in connection with the Separation and (iii) as a recipient of the Migration Services, reimburse the other Party for the reimbursable third-party costs incurred by such other Party in providing the Migration Services.

Section 4.27 CFIUS Matters. Without limiting the generality of Section 4.3:

(a) The parties shall cooperate in the preparation and filing of a CFIUS Notice, including: (i) within 10 days of the date hereof, unless otherwise agreed by the parties, filing with CFIUS a draft of the CFIUS Notice as contemplated under 31 C.F.R. §800.501, (ii) as promptly as practicable (but in any event, no later than ten days following receipt of comments from CFIUS, unless otherwise agreed by the parties) revising such draft to respond to such comments, and (iii) filing a final CFIUS Notice in accordance with the CFIUS Authorities.

(b) The parties shall supply, as promptly as practicable (and in any event, within the time frame required by CFIUS, including any extensions) any certification, additional information, documents or other materials in respect of the CFIUS Notice or the transactions contemplated by this Agreement that may be requested by CFIUS in connection with its review or investigation process related to the CFIUS Clearance.

(c) The parties shall cooperate with each other in connection with resolving any review or investigation or other inquiry of CFIUS or any other Governmental Authority related to the review or investigation processes for the CFIUS Clearance, including by (i) allowing each other to have a reasonable opportunity to review in

advance and comment on drafts of filings and submissions to CFIUS, (ii) promptly informing each other of any communication received by the parties, or proposed to be given by the parties to CFIUS, by promptly providing copies to the other party of any such written communication and (iii) permitting each other to review in advance any written or oral communication that the parties propose to give to CFIUS, and consulting with each other in advance of any meeting, telephone call or conference with CFIUS, and to the extent not prohibited by CFIUS, affording each other the opportunity to attend and participate in any telephonic conferences or in-person meetings with CFIUS, in the case of each of the foregoing clauses (ii) and (iii), except for (A) any exhibits to such communications providing the personal identifying information required by 31 C.F.R. § 800.502(c)(6)(vi), (B) information otherwise requested by CFIUS to remain confidential, (C) information the disclosure of which is prohibited by applicable Laws, (D) information exempt from disclosure to the other party pursuant to other provisions of this Agreement, and (E) information reasonably determined by a party to be business confidential information, which, in each case, a party may provide separately to CFIUS.

(d) Buyer will use reasonable best efforts to take any and all actions necessary, including to agree to all such requirements or conditions or provide such assurances, to mitigate any national security concerns as may be requested or required by CFIUS in connection with, or as a condition of, the receipt of CFIUS Clearance. Notwithstanding the foregoing or any other provisions of this Agreement, Buyer shall not be required to accept any requirement to divest or hold separate (through the establishment of a trust, proxy, or otherwise) assets or operations of Buyer or their Subsidiaries (including such properties, assets, or operations of the Target Companies). Notwithstanding the foregoing or any other provisions of this Agreement, if CFIUS informs the parties orally or in writing that CFIUS has recommended or intends to recommend in a report that the President prohibit the transactions contemplated by this Agreement, Buyer may, at its discretion, withdraw the CFIUS Notice, and if Buyer so chooses, then Seller shall cooperate with Buyer in the parties' withdrawal of the CFIUS Notice.

Section 4.28 Capacity Relief. Buyer and its Affiliates will provide Capacity Relief to Seller and its Subsidiaries to the extent the Closing does not occur prior to January 1, 2021, but occurs prior to March 1, 2021.

ARTICLE 5 TAX MATTERS

Section 5.1 Straddle Periods; Refunds.

(a) Whenever it is necessary to determine the liability for Taxes in respect of a Target Company for a Straddle Period, items of income, gain, loss and deduction shall be apportioned between the portion of the Straddle Period ending on the Closing Date and the remaining portion of such Straddle Period on the basis of a closing of the books as of the end of the day on the Closing, provided that any such items that are calculated on an annual basis shall be allocated between the portion of the Straddle Period ending on the Closing and the remaining portion of such Straddle Period in proportion to the number of days in each period.

(b) After the Closing Date, except to the extent (i) included as an asset in Closing Working Capital or (ii) attributable to the carryback of any loss from a tax period (or portion thereof) beginning after the Closing Date to the Pre-Closing Tax Period, all refunds of Taxes of the Target Companies for any Pre-Closing Tax Period, whether in the form of cash received or a credit or offset against Taxes otherwise payable, shall be the property of Seller; with the exception of any such Tax refund or credit to the extent (x) such Tax refund or credit arises as a result of a Tax paid by Buyer or one of its Affiliates after the Closing Date which was not included as a liability in Closing Working Capital or Indebtedness and which is not a Tax for which Buyer has been indemnified pursuant to this Agreement or (y) such Tax refund or credit is required to be paid to a third party pursuant to a contract in place as of the Closing. To the extent that Buyer or any of its Affiliates receives a refund that is the property of Seller pursuant to the prior sentence, Buyer shall pay, within ten (10) business days of receipt, to the Seller, the amount of such refund and interest received with respect to such refund (net of any Taxes and reasonable out-of-pocket costs incurred to recover such refunds). To the extent any Tax refund described in this Section 5.1(b) that was paid to Seller is subsequently disallowed, Seller shall promptly repay the amount of such Tax refund to Buyer along with any penalties or interest imposed as a result of such disallowance. For the avoidance of doubt, Seller shall be entitled to receive and retain any refund or other credit or offset in respect of any Consolidated Income Tax Liabilities. Notwithstanding anything to the contrary, any amounts payable to Seller pursuant to this Section 5.1(b) shall be reduced by the amount of any Pre-Closing Taxes for which Buyer is entitled to indemnification pursuant to Section 8.1 and for which Buyer has not been compensated pursuant to Section 8.1.

Section 5.2 Tax Returns.

(a) Seller shall be responsible for preparing and filing, or causing to be prepared and filed, all Tax Returns (i) of the Target Companies that are due (taking into account any applicable extensions) on or prior to the Closing Date (excluding any Consolidated or Combined Returns) or (ii) that are Consolidated or Combined Returns; provided, that (x) all such Tax Returns described in clause (a)(i) of this Section 5.2 and (y) all such Tax Returns that are Consolidated or Combined Returns which report the Texas franchise tax with respect to a Pre-Closing Tax Period or Straddle Period and which relate, in whole or in part, to the Target Companies (such Consolidated or Combined Returns, "Texas Franchise Returns") shall be prepared and filed in a manner that is consistent with the past practice of the Target Companies, except as otherwise required by applicable Tax Law; provided, further, that, to the fullest extent practicable, not later than 15 days prior to the due date for filing (x) any income or other material Tax Return described in clause (a)(i) of this Section 5.2 that is required to be filed in either Switzerland or Canada or (y) any Texas Franchise Return, Seller shall provide Buyer with a draft of such Tax Return (or in the case of a Texas Franchise Return, a draft of the applicable portion of such Tax Return that relates to the Target Companies) for Buyer's comment and Seller shall consider in good faith all reasonable comments made in writing by the Buyer at least 10 days prior to the due date for filing such Tax Return.

(b) Buyer shall be responsible for preparing and filing, or causing to be prepared and filed, all other Tax Returns relating to the business or assets of the Target Companies; provided, that with respect to any such Tax Returns that could reasonably be expected to result in any Pre-Closing Taxes, Buyer shall (i) prepare and file, or cause to be prepared and filed, such Tax Returns in a manner that is consistent with the past practice of the Target Companies, except as otherwise required by applicable Tax Law and (ii) to the fullest extent practicable, provide Seller with a reasonable opportunity to discuss such Tax Returns with Buyer or the applicable tax return preparer and to provide input on the contents of such Tax Returns prior to the filing thereof.

(c) Without the prior written consent of Seller (which consent shall not be unreasonably withheld, conditioned or delayed), Buyer shall not, and shall not permit any of its Affiliates to, amend any Tax Returns, extend or waive any statute of limitations or make or change any Tax elections or accounting methods, in each case with respect to any of the Target Companies relating to a Pre-Closing Tax Period or a Straddle Period, except to the extent required by applicable Tax Law or would not reasonably be expected to create or increase (i) a Pre-Closing Tax, or (ii) Taxes incurred by Seller or any of its Affiliates. Upon a determination by Buyer or any such Affiliate that such amendment, extension or waiver or making or changing of any Tax elections or accounting methods is so required by law or would not reasonably be expected to create or increase (i) a Pre-Closing Tax or (ii) Taxes incurred by Seller or any of its Affiliates, Buyer shall promptly notify Seller of such determination.

Section 5.3 Post-Closing Actions.

(a) Each of Buyer and Seller shall, and shall cause their respective Affiliates to, cooperate and take all actions that are required to make or cause to be made an election under Treasury Regulations Section 1.245A-5T(e)(3)(i) (or any successor provision thereto) to close the taxable year of any of the Target Companies that are classified as a “controlled foreign corporation” within the meaning of Section 957(a) of the Code, for purposes of the Code (and, therefore, as to all shareholders of such Transferred Companies and respective Subsidiaries immediately prior to Closing) as of the end of the Closing Date.

(b) Without the prior written consent of Seller, Buyer shall not make or permit to be made an election pursuant to Section 338(g) of the Code with respect to any of the Subsidiaries of the Transferred Companies that are classified as corporations for U.S. federal income tax purposes in connection with the transactions contemplated by this Agreement.

Section 5.4 Tax Contests.

(a) Each of Buyer and Seller shall notify the other party within 20 days after receipt by Seller, Buyer or any of their respective Affiliates of written notice of any federal, state, local or foreign Tax audit or examination or notice of deficiency or other adjustment, assessment or redetermination relating to Taxes (“Tax Matters”) of any of the Target Companies (i) with respect to a Pre-Closing Tax Period or a Straddle Period,

excluding any Tax Matters relating to a Consolidated or Combined Return (a “Pre-Closing Tax Matter”), or (ii) with respect to a Texas Franchise Return (a “Texas Franchise Tax Matter”); provided, that failure to so notify Seller or Buyer, as applicable, shall not relieve the other party of its obligations hereunder unless and to the extent Seller or Buyer, as applicable, is actually and materially prejudiced thereby; provided, further, that, for the avoidance of doubt, Seller shall have no obligation to notify Buyer of any Tax Matters relating to a Consolidated or Combined Return that is not a Texas Franchise Tax Matter.

(b) Seller shall control any Tax Matters relating to a Consolidated or Combined Return, and, except for any Texas Franchise Tax Matter, Buyer shall have no right to participate in any aspects of such Tax Matters. Seller shall (i) have the right to control any Pre-Closing Tax Matters that could reasonably be expected to result in a Pre-Closing Tax and (ii) Seller shall control any Texas Franchise Tax Matter at Seller’s own cost and expense; provided that Seller shall (A) diligently prosecute such Tax Matters in good faith, (B) notify Buyer of significant developments with respect to such Tax Matters and keep Buyer reasonably informed and consult with Buyer as to the resolution of any issue that would materially affect Buyer or any of its Affiliates (including the Target Companies), (C) give Buyer a copy of any Tax adjustment or assessment proposed in writing with respect to such Tax Matters and copies of any other written correspondence with the relevant Tax authority relating to such Tax Matters, (D) not settle or compromise any issue without the prior written consent of Buyer, which consent shall not be unreasonably withheld or delayed, and (E) otherwise permit the Buyer to participate in (but not control) such Tax Matters, at Buyer’s own expense.

(c) Buyer shall control any Tax Matters of any of the Target Companies with respect to a Pre-Closing Tax Period or a Straddle Period (other than a Tax Matter that relates to a Consolidated or Combined Return, which Seller shall control pursuant to the first sentence of Section 5.4(b)), a Texas Franchise Tax Matter, or a Tax Matter that Seller elects to control pursuant to the second sentence of Section 5.4(b)), at Buyer’s own cost and expense; provided that Buyer shall (A) diligently prosecute such Tax Matters in good faith, (B) notify Seller of significant developments with respect to such Tax Matters and keep Seller reasonably informed and consult with Seller as to the resolution of any issue that would materially affect Seller or any of its Affiliates, (C) give Seller a copy of any Tax adjustment or assessment proposed in writing with respect to such Tax Matters and copies of any other written correspondence with the relevant Tax authority relating to such Tax Matters, (D) not settle or compromise any issue without the prior written consent of Seller, which consent shall not be unreasonably withheld or delayed, and (E) otherwise permit the Seller to participate in (but not control) such Tax Matters, at Seller’s own expense.

(d) To the extent of any inconsistency or conflict between this Section 5.4 and Section 8.3 or Section 8.4, this Section 5.4 shall control.

Section 5.5 Books and Records; Cooperation. Buyer and Seller shall (and shall cause their respective Affiliates to), at the requesting party’s cost and expense, (a) provide the other party and its Affiliates with such assistance as may be reasonably requested in connection

with the preparation of any Tax Return (including, for the avoidance of doubt, in determining whether any filing under Council Directive (EU) 2018/822 (“DAC 6”) is required in respect of any of the Target Companies for the Pre-Closing Tax Period) or any audit or other examination by any taxing authority or any judicial or administrative proceeding relating to Taxes and (b) retain (and provide the other party and its Affiliates with reasonable access to) all records or information which may be relevant to such Tax Return (including, for the avoidance of doubt, any filing under DAC 6), audit, examination or proceeding, provided that the foregoing shall be done in a manner so as not to interfere unreasonably with the conduct of the business of the parties and, notwithstanding anything to the contrary in this Agreement, (x) Buyer shall not be required to provide Seller with any consolidated, combined, unitary, affiliated or similar Tax Return or portion thereof (including any work papers or related documentation) of Buyer or its Affiliates (other than any portion solely related to the Target Companies) and (y) Seller shall not be required to provide Buyer with any consolidated, combined, unitary, affiliated or similar Tax Return or portion thereof (including any work papers or related documentation) of Seller or its Affiliates (other than any portion related solely to the Target Companies).

Section 5.6 Transfer Taxes. Each of Buyer and Seller shall bear 50% of all transfer, documentary, sales, use, stamp, registration, value added and other such Taxes and fees (including any penalties and interest) (“Transfer Taxes”) incurred in connection with the transactions contemplated by this Agreement (including any real property transfer tax and any similar Tax). Buyer and Seller shall cooperate with one another to mitigate, reduce or eliminate any Transfer Taxes that could be imposed with respect to the sale and purchase of the Units contemplated by this Agreement, including by obtaining or furnishing any applicable exemption certificates or related documentation. If any such Transfer Taxes are payable, the party responsible under applicable Law will pay such Transfer Taxes and file all necessary Tax Returns and other documentation with respect to all such Transfer Taxes and promptly provide a copy of such Tax Returns to the other party and, to the extent required by applicable law, the other party will, and will cause its Affiliates to, join in the execution of any such Tax Returns and other documentation. The non-paying party shall promptly provide the paying party with timely payment for its share of any such Transfer Taxes.

Section 5.7 Purchase Price Allocation. The Final Purchase Price (and any assumed liabilities and other amounts treated as consideration for applicable U.S. federal income Tax purposes) will be allocated among the assets of the Target Companies for all applicable Tax purposes in a manner consistent with Section 1060 of the Code and the Treasury Regulations promulgated thereunder (and any similar provision of state, local, or non-U.S. Law, as appropriate). A draft statement setting forth the allocations (the “Allocation Statement”) shall be prepared by Seller. No later than 120 days after the Closing Date (and if an adjustment to the Estimated Purchase Price is required pursuant to Section 1.3, 60 days after such Estimated Purchase Price adjustment is finalized and paid pursuant to Section 1.3(g)), Seller shall deliver the Allocation Statement to Buyer (and, in the case of an adjustment to the Estimated Purchase Price, an updated Allocation Statement) for Buyer’s review and comment, and Buyer and Seller will cooperate in good faith to resolve any disagreements with respect thereto. If Buyer and Seller are able to agree to such Allocation Statement (as revised to accommodate any comments of Buyer, the “Final Allocation Statement”) within 60 days following delivery thereof, or such later date as agreed to by Buyer and Seller, then Buyer and Seller shall file and cause their Affiliates to file IRS Form(s) 8594 (where required) and all income Tax Returns in accordance

with the Final Allocation Statement, and neither of them shall thereafter take a position on an income Tax Return inconsistent with the Final Allocation Statement unless required pursuant to a final determination within the meaning of Section 1313(a) of the Code (or any similar provision of state, local, or non-U.S. Law, as appropriate). If Buyer and Seller are unable to agree to such Allocation Statement within the time period described above, following delivery thereof, each party shall be entitled to adopt its own position regarding the allocation. Buyer and Seller each agree to provide the other promptly with any information reasonably required to complete the Allocation Statement and shall notify and provide the other with reasonable assistance in the event of an examination, audit or other proceeding regarding the allocations determined pursuant to this Section 5.7.

Section 5.8 Intended Tax Treatment. In view of the fact that each of the Transferred Companies is treated as a disregarded entity for U.S. federal income tax purposes, it is the intention of the parties that, for U.S. federal income tax purposes, the sale of the Units will be treated as a sale of the assets of the Transferred Companies.

ARTICLE 6 CONDITIONS PRECEDENT

Section 6.1 Conditions to Obligations of Buyer and Seller. The obligations of Buyer and Seller to consummate the transactions contemplated hereby and by the Ancillary Agreements shall be subject to the fulfillment at or prior to the Closing of the following conditions, any of which may be waived in writing by Buyer or Seller in their sole discretion:

(a) Competition Approvals. All applicable waiting, notice or review periods and approvals or clearances under the Competition Laws listed in Section 6.1(a) of the Seller Disclosure Letter (as extended by any applicable Governmental Authority) shall have been received, granted, expired or been terminated, as applicable.

(e) FCC Approval. Section 6.2 Conditions to Obligations of Buyer. The obligation of Buyer to consummate the transactions contemplated hereby and by the Ancillary Agreements shall be subject to the fulfillment at or prior to the Closing of the following additional conditions, any of which may be waived in writing by Buyer in its sole discretion:

(a) Representations; Performance. (i) The representations and warranties of Seller set forth in Sections 2.1 (Organization and Good Standing), 2.2(a) (Authorization), 2.4(a) (Capitalization; Title to Units), 2.5(a) and the first and second sentences of 2.5(b) (Subsidiaries; Ownership Interests) and 2.19 (Finders' Fees), shall be true and correct in all respects (other than *de minimis* exceptions) as of the Closing Date (except to the extent such representations and warranties expressly relate to an earlier date, in which case as of such earlier date), and (ii) each of the remaining representations and warranties of Seller set forth in this Agreement or any Ancillary Agreement or in any schedule, certificate or other document delivered pursuant hereto or thereto (except for the representation and warranty in Section 2.28, which is made only as of the date hereof) shall be true and correct (without giving effect to any limitation or qualification as to "materiality" (including the word "material") or "Material Adverse Effect" set forth therein) as of the Closing Date (except to the extent such representations and warranties expressly relate to an earlier date, in which case as of such earlier date), except where the failure of any such representations and warranties to be true and correct has not had a Material Adverse Effect. Seller shall have in all material respects duly performed and complied with all agreements, covenants and conditions required by this Agreement to be performed or complied with by Seller at or prior to the Closing.

(b) Officer's Certificate. Seller shall have delivered to Buyer a certificate, dated as of the Closing Date, signed by a duly authorized officer of Seller certifying that each of the conditions set forth in Section 6.2(a) have been satisfied.

(c) FIRPTA Certificate. Seller shall have delivered to Buyer a statement, dated as of the Closing Date, meeting the requirements of Section 1.1445-2(b)(2) of the Treasury Regulations, certifying that Seller is not a "foreign person" within the meaning of Section 1445 of the Code and the Treasury Regulations thereunder.

(d) No Material Adverse Effect. Since the date of this Agreement, there shall not have occurred a Material Adverse Effect.

(e) Closing Deliverables. Seller shall have delivered, or caused to be delivered, to Buyer all the Closing deliverables set forth in Section 1.2(a).

(f) Termination of Affiliate Arrangements. Seller shall have delivered evidence, in form and substance reasonably satisfactory to Buyer, that each Affiliate Arrangement has been terminated as of the Closing Date, in each case, with no further liability or obligation thereunder to Buyer or its Affiliates following the Closing.

Section 6.3 Conditions to Obligations of Seller. The obligation of Seller to consummate the transactions contemplated hereby and by the Ancillary Agreements shall be subject to the fulfillment at or prior to the Closing of the following additional conditions, any of which may be waived in writing by Seller in its sole discretion:

(a) Representations; Performance. (i) The representations and warranties of Buyer set forth in Section 3.1 (Organization), Section 3.2(a) (Corporate and Governmental Authorization), Section 3.7 (Finders' Fees) and Section 3.8 (Bankruptcy

Court Orders) shall be true and correct in all respects (other than *de minimis* exceptions) as of the Closing Date (except to the extent such representations and warranties expressly relate to an earlier date, in which case as of such earlier date), and (ii) each of the remaining representations and warranties of Buyer set forth in this Agreement or any Ancillary Agreement or in any schedule, certificate or other document delivered pursuant hereto or thereto shall be true and correct (without giving effect to any limitation or qualification as to “materiality” (including the word “material”) or “Material Adverse Effect” set forth therein) as of the Closing Date (except to the extent such representations and warranties expressly relate to an earlier date, in which case as of such earlier date), except where the failure of any such representations and warranties to be true and correct has not had a Buyer Material Adverse Effect. The DIP Order and the Bankruptcy Court Order (i) have been entered and the applicable time for appeal has expired with no such appeal having been filed, and (ii) remain in full force and effect, without any modifications that would be adverse to Seller except any such modifications as to which Seller has provided its written consent. Buyer shall have, in all material respects, duly performed and complied with all agreements, covenants and conditions required by this Agreement to be performed or complied with by Buyer at or prior to the Closing.

(b) Officer’s Certificate. Buyer shall have delivered to Seller a certificate, dated as of the Closing Date, signed by a duly authorized officer of Buyer certifying that each of the conditions set forth in Section 6.3(a) have been satisfied.

(c) Closing Deliverables. Buyer shall have delivered to Seller or Seller’s designee all the Closing deliverables set forth in Section 1.2(b) and Section 1.2(c).

Section 6.4 Frustration of Closing Conditions. No party may rely on the failure of any condition set forth in this Article 6 to be satisfied if such failure was primarily caused by such party’s failure to use the efforts required pursuant to Section 4.3 of this Agreement to cause the Closing to occur.

ARTICLE 7 TERMINATION

Section 7.1 Termination. This Agreement may be terminated at any time prior to the Closing Date:

(a) by the written agreement of Buyer and Seller;

(b) by either Buyer or Seller by notice to the other party, if:

(i) the Closing shall not have been consummated on or before April 30, 2021 (the “End Date”), provided that either party may extend the End Date by three months to July 31, 2021 only if, at the time of such extension, (x) the only conditions in Article 6 not capable of being satisfied are the conditions set forth in Section 6.1 and (y) the extending party’s breach is not the primary cause of the failure of the Closing to be consummated by such time; or

(ii) (A) there shall be any Law that makes consummation of the Closing illegal or otherwise prohibited or (B) any judgment, injunction, order or decree of any Governmental Authority having competent jurisdiction enjoining Buyer or Seller from consummating the Closing is entered and such judgment, injunction, order or decree shall have become final and nonappealable;

(c) by Buyer by notice to Seller, if a breach of any representation or warranty or failure to perform any covenant or agreement on the part of Seller or the Target Companies set forth in this Agreement or any Ancillary Agreement or in any schedule, certificate or other document delivered pursuant hereto or thereto shall have occurred that would cause the condition set forth in Section 6.2(a) not to be satisfied, and such breach has not been cured within 30 days after delivery by Buyer to Seller of a written notice of such breach; provided that such 30 day cure period may be extended one time by 30 days so long as Seller is using its reasonable best efforts to cure any such breach and delivers a written notice to Buyer prior to the end of such initial 30-day period detailing what steps Seller intends to take in the successive 30-day period to cure such breach; provided, further, that Buyer shall not have the right to terminate this Agreement pursuant to this Section 7.1(c) if Buyer is then in material breach or violation of its representations, warranties or covenants contained in this Agreement such that the conditions set forth in Section 6.3 are unable to be satisfied;

(d) by Seller by notice to Buyer if a breach of any representation or warranty or failure to perform any covenant or agreement on the part of Buyer set forth in this Agreement or any Ancillary Agreement or in any schedule, certificate or other document delivered pursuant hereto or thereto shall have occurred that would cause the condition set forth in Section 6.3(a) not to be satisfied, and such breach has not been cured within 30 days after delivery by Seller to Buyer of a written notice of such breach; provided that such 30-day cure period may be extended one time by 30 days so long as Buyer is using its reasonable best efforts to cure any such breach and delivers a written notice to Seller prior to the end of such initial 30-day period detailing what steps Buyer intends to take in the successive 30-day period to cure such breach; provided, further, that Seller shall not have the right to terminate this Agreement pursuant to this Section 7.1(d) if Seller is then in material breach or violation of its representations, warranties or covenants contained in this Agreement such that the conditions set forth in Section 6.2 are unable to be satisfied; or

(e) by Seller by notice to Buyer if either the DIP Order or the Bankruptcy Court Order ceases to be in full force and effect or is modified in any manner that is adverse to Seller, in the good faith judgment of Seller, without the prior written consent of Seller and such cessation or modification is not cured by Buyer within 5 Business Days after delivery by Seller to Buyer of a written notice of its intent to terminate the Agreement pursuant to this Section 7.1(e).

Any party seeking to terminate this Agreement pursuant to this Section 7.1 shall give prompt written notice of its decision to seek such termination to the other party.

Section 7.2 Effect of Termination.

(a) If this Agreement is terminated pursuant to Section 7.1, this Agreement shall become void and of no effect without liability of any party (or any of its directors, officers, employees, members, stockholders, Affiliates, agents, successors or assigns) (other than pursuant to this Section 7.2, the provisions of Section 4.6 (Public Announcements), Article 9 (Miscellaneous), including Section 9.4 (Expenses), Article 10 (Definitions) and the Confidentiality Agreement, which shall survive any such termination); provided, however, that no party shall be relieved or released from any liabilities or damages arising out of any Willful Breach of this Agreement. For purposes of clarification, the parties agree that if Buyer does not close the transactions contemplated hereby in circumstances in which all of the closing conditions set forth in Section 6.1 and Section 6.2 have been satisfied or waived (other than any such conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions), such event shall be deemed to be a Willful Breach by Buyer of this Agreement. Seller may petition a court to award damages in connection with any breach by Buyer of the terms or conditions set forth in this Agreement, and Buyer agrees that such damages shall not be limited to reimbursement of expenses or out-of-pocket costs and may include the benefit of the bargain lost by Seller (taking into consideration relevant matters, including other combination opportunities and the time value of money). Notwithstanding anything to the contrary contained herein, Seller may enforce such award and accept damages for such breach.

(b) If this Agreement is terminated pursuant to Section 7.1, Buyer acknowledges and agrees that all documents, copies thereof, and all other materials received from or on behalf of Seller relating to the transactions contemplated hereby, whether so obtained before or after the execution hereof, shall continue to be subject to the Confidentiality Agreement, which shall remain in full force and effect notwithstanding the termination of this Agreement.

**ARTICLE 8
INDEMNIFICATION**

Section 8.1 Indemnification by Seller. From and after the Closing subject to the terms of this Agreement, Seller shall defend, indemnify and hold harmless Buyer and its Affiliates and their respective Representatives (collectively, the “Buyer Indemnitees”) from and against any and all Losses that any Buyer Indemnitee may incur or suffer, or become subject to, at any time, that are caused by, arise out of or result from:

- (a) the Excluded Liabilities;
- (b) the Excluded Assets;
- (c) Pre-Closing Taxes; or
- (d) any liabilities directly arising from the Reorganization.

Section 8.2 Indemnification by Buyer From and after the Closing, subject to the terms of this Agreement, Buyer shall defend, indemnify and hold harmless Seller and its Affiliates and their respective Representatives (collectively, the “Seller Indemnitees”) from and against any and all Losses that any Seller Indemnitee may incur or suffer, or become subject to, at any time, that are caused by, arise out of or result from:

- (a) the Transferred Liabilities; or

(b) the Transferred Assets.

Section 8.3 Notification of Claims. A Person that may be entitled to be indemnified under this Article 8 (the “Indemnified Party”) shall promptly notify the party responsible for such indemnification (the “Indemnifying Party”) in writing of any pending or threatened claim, demand or circumstance (describing in reasonable detail the facts and circumstances with respect to the subject matter of such claim, demand or circumstance) that the Indemnified Party has determined has given, or would reasonably be expected to give, rise to a right of indemnification under this Agreement; provided that the failure to prompt notice of a claim hereunder shall not affect the Indemnifying Party’s obligations hereunder, except to the extent the Indemnifying Party is actually and materially prejudiced by such failure. A claim or demand asserted by a third party is hereinafter referred to as a “Third-Party Claim.”

Section 8.4 Third-Party Claim Mechanics.

(a) Upon receipt of a notice of a claim for indemnity from an Indemnified Party pursuant to Section 8.3 with respect to any Third-Party Claim, the Indemnifying Party shall have the right (but not the obligation) to assume the defense of any Third-Party Claim and, in the event that the Indemnifying Party shall assume the defense of such claim, it shall allow the Indemnified Party a reasonable opportunity to participate in the defense of such Third-Party Claim with its own counsel and at its own expense; provided that, notwithstanding anything to the contrary in this Section 8.4, the Indemnifying Party shall not be entitled to assume the defense of any Third-Party Claim (and, to the extent the Indemnifying Party has assumed the defense, shall transfer control of such defense to the Indemnified Party) if (i) the Indemnified Party shall have one or more legal or equitable defenses available to the Indemnified Party that are different from or in addition to those available to the Indemnifying Party, (ii) in the reasonable opinion of counsel for the Indemnified Party, there exists a conflict of interest between the Indemnified Party and the Indemnifying Party, (iii) such Third-Party Claim seeks equitable relief or involves a criminal Litigation or (iv) the Indemnifying Party shall not have assumed the defense of such Third-Party Claim within 30 days of delivery of a notice of such claim for indemnity; provided, further, that, notwithstanding anything to the contrary in this Section 8.4, prior to assuming the defense of any Third-Party Claim, the Indemnifying Party shall (x) acknowledge and agree in writing that the Indemnifying Party would have an indemnity obligation for any Loss resulting from such Third-Party Claim as provided under this Article 8 and (y) furnish the Indemnified Party with reasonable evidence that the Indemnifying Party has adequate resources to defend the Third-Party Claim and to fulfill its indemnity obligations hereunder.

(b) If the Indemnifying Party assumes the defense of any Third-Party Claim, (i) the Indemnifying Party shall select, at the Indemnifying Party’s sole cost and expense, counsel, contractors and consultants of recognized standing and competence after

consultation with the Indemnified Party and shall take all steps reasonably necessary in the defense or, to the extent permitted by this Section 8.4, settlement of such Third-Party Claim and (ii) the Indemnified Party may retain separate co-counsel at its sole cost and expense and participate in, but not control, the defense or settlement of such Third-Party Claim; provided, however, that the Indemnifying Party shall pay the fees and expenses of such separate counsel (x) incurred by the Indemnified Party prior to the date the Indemnifying Party assumes control of the defense of the Third-Party Claim and (y) if representation of both the Indemnifying Party and the Indemnified Party by the same counsel would create a conflict of interest. If the Indemnifying Party does not (or is unable to) assume the defense of any Third-Party Claim then the Indemnifying Party shall pay the fees and expenses of counsel retained by the Indemnified Party in connection therewith.

(c) The Indemnifying Party shall have full control of such defense and proceedings, but shall not consent to a settlement of, or the entry of any judgment arising from, any Third-Party Claim, without the consent of any Indemnified Party (which consent shall not be unreasonably withheld, conditioned or delayed); provided that the Indemnifying Party may agree to any the settlement of, or the entry of any judgment arising from, any Third-Party Claim without the Indemnified Party's consent if it (i) does not include an injunction or other equitable remedy adversely affecting or encumbering any material assets or properties of the Indemnified Parties, their respective Affiliates or the Business, (ii) does not involve criminal liability or any admission of fault, misconduct or wrongdoing, (iii) involves only the payment of monetary damages and the Indemnifying Party pays all amounts arising out of such settlement or judgment concurrently with the effectiveness of such settlement, and (iv) includes, as a condition of such settlement or judgment, a complete release of each Indemnified Party potentially affected by such Third-Party Claim.

Section 8.5 Insurance Proceeds. If any Losses sustained by a Indemnified Party are covered by an insurance policy or an indemnification, contribution or similar obligation of another Person (other than an Affiliate of such Indemnified Party), the Indemnified Party shall cause such Indemnified Party to use reasonable best efforts to collect such insurance proceeds or indemnity, contribution or similar payments; provided that in no event shall the Indemnified Party be required to initiate any Litigation to pursue or collect such proceeds, indemnity contribution or similar payment. If any Indemnified Party actually receives such insurance proceeds or indemnity, contribution or similar payments prior to being indemnified with respect to such Losses under this Article 8, the payment under this Article 8 with respect to such Losses shall be reduced by the after-tax amount of such insurance proceeds or indemnity, contribution or similar payments (less reasonable attorneys' fees and other reasonable out-of-pocket expenses incurred in connection with such recovery). If any Indemnified Party receives such insurance proceeds or indemnity, contribution or similar payments after any Indemnified Party has actually already received payment from Indemnifying Party in respect of indemnification under this Article 8 for some or all of such Losses, such Indemnified Party shall pay (or shall cause to be paid to) the Indemnifying Party the lesser of (a) the amount of such insurance proceeds or indemnity, contribution or similar payment (less the costs and expenses incurred in connection with such recovery) and (b) the aggregate amount paid by Indemnifying Party to all Indemnified Parties with respect to such Losses. Each party shall use reasonable best efforts to mitigate all Losses for which such party is or may be entitled to indemnification hereunder (and the costs and expenses of such mitigation shall constitute Losses).

Section 8.6 Third-Party Beneficiaries. The Seller Indemnitees and the Buyer Indemnitees are intended to be third-party beneficiaries of this Article 8.

Section 8.7 Tax Treatment of Indemnity Payments. Any indemnity payment made pursuant to this Article 8 shall be treated as an adjustment to the Purchase Price for applicable tax reporting purposes.

(a) In determining the amount of any indemnity payment to be made pursuant to this Article 8 for Losses incurred of any Target Company organized outside of the United States, such payment shall be determined net of any Tax benefit actually derived by the Indemnified Party (or any Affiliate thereof) in the taxable year in which the Losses were incurred or the taxable year thereafter as a result of sustaining or paying the Losses incurred by the Indemnified Party (including as the result of facts or circumstances due to which the Indemnified Party sustained or paid such Losses).

(b) In determining the amount of any indemnity payment to be made pursuant to this Article 8 for Losses other than those described in Section 8.7(a), such payment shall be determined net of any Tax benefit actually derived by the Indemnified Party (or any Affiliate thereof) in the taxable year in which the Losses were incurred or the taxable year thereafter as a result of sustaining or paying the Losses incurred by the Indemnified Party (including as the result of facts or circumstances due to which the Indemnified Party sustained or paid such Losses); provided that any such Tax benefit shall be reduced by the amount of Tax detriment (including the Tax effect of any item of income or gain or other item (including any decrease in Tax basis) which increases any amounts paid or payable with respect to Taxes in any taxable year) that such Indemnified Party has suffered or is reasonably expected to suffer in any future taxable year as a result of any indemnification payment. Each of Buyer and Seller shall bear 50% of any reasonable and documented out-of-pocket costs of determining the amount of the Tax detriment described in the immediately preceding proviso, unless Seller determines in its sole discretion that this Section 8.7(b) shall not apply to the applicable indemnity payment.

Section 8.8 Fraud; Commercial Agreements. Notwithstanding anything in this Agreement to the contrary, nothing in this Agreement shall limit the liability of Seller, Seller Group or any other Person (i) for Fraud or (ii) under any existing or future commercial agreements or arrangements with Buyer or any of its Affiliates (including the Commercial Agreements).

ARTICLE 9 MISCELLANEOUS

In furtherance, not limitation, of the foregoing, the parties, intending to contractually shorten any otherwise applicable statute of limitations, hereby agree that, other than

in the event of Fraud or Willful Breach, no claim of any kind based on the failure of any representation or warranty made in Article 2 or Article 3 having been true and correct may be brought at any time after the Closing.

Section 9.3 Amendment; Waivers, Etc. No amendment, modification or discharge of this Agreement, and no waiver hereunder, shall be valid or binding, unless set forth in writing and duly executed by the party against whom enforcement of the amendment, modification, discharge or waiver is sought. Any such waiver shall constitute a waiver only with respect to the specific matter described in such writing and shall in no way impair the rights of the party granting such waiver in any other respect or at any other time. Neither the waiver by any of the parties hereto of a breach of or a default under any of the provisions of this Agreement, nor the failure by any of the parties, on one or more occasions, to enforce any of the provisions of this Agreement or to exercise any right or privilege hereunder, shall be construed as a waiver of any other breach or default of a similar nature, or as a waiver of any of such provisions, rights or privileges hereunder. The rights and remedies herein provided are cumulative and none is exclusive of any other, or of any rights or remedies that any party may otherwise have at law or in equity.

Section 9.4 Expenses. Except as otherwise provided herein (including Section 4.3, Section 4.7, Section 4.25(e) and Section 5.6), all costs, fees and expenses incurred in connection with, including with respect to enforcement of, this Agreement, the Ancillary Agreements and the transactions contemplated hereby and thereby, whether or not consummated, shall be paid by the party incurring such cost or expense.

Section 9.5 Governing Law, Etc.

(a) THIS AGREEMENT SHALL BE GOVERNED IN ALL RESPECTS, INCLUDING AS TO VALIDITY, INTERPRETATION AND EFFECT, BY THE LAWS OF THE STATE OF DELAWARE, WITHOUT GIVING EFFECT TO ITS PRINCIPLES OR RULES OF CONFLICT OF LAWS, TO THE EXTENT SUCH

PRINCIPLES OR RULES ARE NOT MANDATORILY APPLICABLE BY STATUTE AND WOULD PERMIT OR REQUIRE THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION. Buyer and Seller hereby irrevocably submit to the jurisdiction of the courts of the State of Delaware and the federal courts of the United States of America located in the State, City and County of Delaware for disputes or other matters arising out of or related to this Agreement and in respect of the transactions contemplated hereby. During the pendency of the Chapter 11 Cases, Buyer and Seller hereby irrevocably submit to the jurisdiction of the Bankruptcy Court for implementation, interpretation, and enforcement of, or disputes regarding, the DIP Order or the Bankruptcy Court Order. Each of Buyer and Seller irrevocably agrees that all claims in respect of the interpretation and enforcement of the provisions of this Agreement and in respect of the transactions contemplated hereby, or with respect to any such action, suit or proceeding, shall be heard and determined in such a Delaware State or federal court, and that such jurisdiction of such courts with respect thereto shall be exclusive, except solely to the extent that all such courts shall lawfully decline to exercise such jurisdiction. Each of Buyer and Seller hereby waives, and agrees not to assert, as a defense in any action, suit or proceeding for the interpretation or enforcement hereof or in respect of any such transaction, that it is not subject to such jurisdiction. Each of Buyer and Seller hereby waives, and agrees not to assert, to the maximum extent permitted by law, as a defense in any action, suit or proceeding for the interpretation or enforcement hereof or in respect of any such transaction, that such action, suit or proceeding may not be brought or is not maintainable in such courts or that the venue thereof may not be appropriate or that this Agreement may not be enforced in or by such courts. Buyer and Seller hereby consent to and grant any such court jurisdiction over the person of such parties and over the subject matter of any such dispute and agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 9.2 or in such other manner as may be permitted by law, shall be valid and sufficient service thereof.

(b) EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 9.6 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their respective heirs, successors and permitted assigns; provided that this Agreement shall not be assignable or otherwise transferable by any party without the prior written consent of the other party. Notwithstanding the foregoing, Buyer may transfer or assign, in whole or in part, its rights or obligations under this Agreement to one or more Affiliates; provided, however, that in the case of such an assignment, Buyer shall remain responsible for the performance of their obligations hereunder; provided, further, that such assignment may not impose material withholding or other Taxes on Seller or any of its Affiliates (unless Buyer reimburses Seller or such Affiliate for any such Taxes and any Taxes imposed on the full amount of such reimbursement).

Section 9.7 Entire Agreement. This Agreement (including the Seller Disclosure Letter and the Buyer Disclosure Letter), the Ancillary Agreements (when executed and delivered) and the Confidentiality Agreement constitute the entire agreement and supersede all prior agreements, understandings and representations, both written and oral, between the parties with respect to the subject matter hereof. In the event of any conflict between this Agreement, on the one hand, and any Ancillary Agreement, on the other hand, the terms of this Agreement shall control.

Section 9.8 Severability. If any provision, including any phrase, sentence, clause, section or subsection, of this Agreement is determined by a court of competent jurisdiction to be invalid, inoperative or unenforceable for any reason, such circumstances shall not have the effect of rendering such provision in question invalid, inoperative or unenforceable in any other case or circumstance, or of rendering any other provision herein contained invalid, inoperative or unenforceable to any extent whatsoever. Upon any such determination, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

Section 9.9 Counterparts; Effectiveness; Third-Party Beneficiaries. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall together constitute one and the same instrument. This Agreement shall become effective when each party shall have received a counterpart hereof signed by all of the other parties. Until and unless each party has received a counterpart hereof signed by the other party, this Agreement shall have no effect and no party shall have any right or obligation hereunder (whether by virtue of any other oral or written agreement or other communication). Except for Persons covered by Section 4.11, Article 8, Section 9.12 or Section 9.13, no provision of this Agreement is intended to confer any rights, benefits, remedies, obligations or liabilities hereunder upon any Person other than the parties and their respective successors and assigns.

Section 9.10 Specific Performance. The parties agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the terms hereof and that, prior to the valid termination of this Agreement, the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof in any court specified in Section 9.5, in addition to any other remedy to which they are entitled at law or in equity; provided, however, that the parties shall be entitled to an injunction or injunctions or to enforce specifically the performance of the terms and provisions of Section 7.2. Prior to the valid termination of this Agreement, the parties hereby waive, in any action for specific performance, the defense of adequacy of a remedy at law and the posting of any bond or other security in connection therewith.

Section 9.11 Attorney-Client Privilege and Conflict Waiver.

(a) Debevoise & Plimpton LLP ("Seller Counsel") and Kirkland & Ellis LLP ("Buyer Counsel") have represented Seller and the Target Companies. All of the parties recognize the commonality of interest that exists and will continue to exist until Closing, and the parties agree that such commonality of interest should continue to be recognized after the Closing and such parties recognize and agree that the communications between or among Seller Counsel, Seller and the Target Companies are protected under certain privileges and doctrines, including the attorney-client privilege and the common interest

doctrine. Specifically, the parties agree that (i) Seller shall not, and shall cause its Affiliates not to, seek to have any Buyer Counsel disqualified from representing Buyer and its Affiliates and each of the foregoing's respective officers, directors, managers, employees, shareholders, equityholders, agents and representatives in connection with any dispute that may arise out of or relate to this Agreement or the transactions contemplated hereby, and Seller expressly waives any claim that any Buyer Counsel has a conflict of interests or is otherwise precluded from engaging in such representation, (ii) Buyer shall not, and shall cause its Affiliates not to, seek to have Seller Counsel disqualified from representing Seller Group and its Affiliates and each of the foregoing's respective officers, directors, managers, employees, shareholders, equityholders, agents and representatives in connection with any dispute that may arise out of or relate to this Agreement or the transactions contemplated hereby, and Buyer expressly waives any claim that any Seller Counsel has a conflict of interest or is otherwise precluded from engaging in such a representation, (iii) in the event that a dispute arising out of or related to this Agreement or the transactions contemplated hereby arises after the Closing between Buyer and Seller or any of their respective Subsidiaries (including, in the case of Buyer or any Target Company), (A) Seller Counsel may represent any member of Seller Group or any of its Affiliates in such dispute even though the interests of such Person(s) may be directly adverse to Buyer or any Transferred Company and even though Seller Counsel may have represented any of the Target Companies in a matter substantially related to such dispute and (B) Buyer Counsel may represent Buyer or its Affiliates in such dispute even though the interests of such Person(s) may be directly adverse to Seller Group and (iv) in connection with any such dispute that may arise between Seller and its Affiliates and Buyer or the Target Companies, Seller and Affiliates of Seller (and not Buyer or the Target Companies) will have the sole and exclusive right to decide whether or not to waive the attorney-client privilege that may apply to any communications between the Target Companies and Seller Counsel that occurred before the Closing. Buyer and Seller represent that their respective attorneys have explained and helped Buyer or Seller, as applicable, evaluate the implications and risks of waiving the right to assert a future conflict against Seller Counsel or Buyer Counsel, and Buyer and Seller's consent with respect to this waiver is fully informed.

(b) Buyer further agrees, on behalf of itself, and, after the Closing, on behalf of the Target Companies, that all communications in any form or format whatsoever between or among any of Seller Counsel, Seller or Seller's Affiliates that relate in any way to the negotiation, documentation and consummation of the transactions contemplated by this Agreement (collectively, the "Deal Communications") shall be deemed to be retained, owned and controlled exclusively by Seller and shall not pass to (by operation of law or otherwise) or be claimed by Buyer or any Target Company. All Deal Communications that are attorney-client privileged (the "Privileged Deal Communications") shall remain privileged after the Closing and the privilege and the expectation of client confidence relating thereto shall belong solely and exclusively to, and controlled by, Seller and shall not pass to or be claimed by Buyer or Target Companies.

(c) Notwithstanding the foregoing, in the event that a dispute arises between Buyer or any Target Company, on the one hand, and a third party other than Seller or its Affiliates, on the other hand, Buyer or any Target Company may assert the attorney-client privilege to prevent the disclosure of the Privileged Deal Communications to such third party; provided, however, that none of Buyer or any Target Company may waive such privilege without the prior written consent of Seller (which such consent shall not be unreasonably withheld, conditioned or delayed). In the event that Buyer or any Target Company is legally required by governmental order or otherwise to access or obtain a copy of all or a portion of the Deal Communications, Buyer shall promptly (and, in any event, within five Business Days) notify Seller in writing (including by making specific reference to this Section 9.11) so that Seller can seek a protective order and Buyer agrees to use reasonable best efforts to assist therewith.

Section 9.12 Mutual Release. Effective as of the Closing Date, except for any rights or obligations expressly set forth in this Agreement or the Ancillary Agreements, each of Seller and Buyer, on behalf of itself and each of its Subsidiaries (individually, a “Releasor” and, collectively, “Releasors”), hereby releases and forever discharges the other party and the other party’s Affiliates and Representatives (individually, a “Releasee” and, collectively, “Releasees”), in each case, in their capacity as such, from and against any and all Litigation, actions, causes of action, suits, debts, dues, sums of money, accounts, reckonings, bonds, bills, covenants, contracts, controversies, agreements, promises, variances, trespasses, damages, judgments, extents, executions, claims, liabilities and demands of any kind whatsoever, whether known or unknown, suspected or unsuspected, both at law and in equity which each Releasor or any of their respective successors and assigns now has or has ever had against any Releasee arising contemporaneously with or prior to the Closing Date or on account of or arising out of any matter, cause or event related to the Business or the Target Companies and occurring contemporaneously with or prior to the Closing Date (all of the foregoing collectively, the “Released Claims”); provided, however, that nothing contained herein shall release any obligations of either party or its Affiliates or Representatives under (i) this Agreement or the Ancillary Agreements (including Seller’s obligations with respect to Excluded Liabilities and Buyer’s obligations with respect to Transferred Liabilities) or (ii) under any prior, existing or future commercial agreements or arrangements involving the parties (including the Commercial Agreements). Each Releasor hereby irrevocably covenants to refrain from, directly or indirectly, asserting any Released Claim, or commencing, instituting, or causing to be commenced, any Litigation of any kind against any Releasee, based upon any matter released hereby. Releasees are intended to be third-party beneficiaries of this Section 9.12.

Section 9.13 Debt Financing. Notwithstanding anything in this Agreement to the contrary, each of the parties hereto, on behalf of itself, its Subsidiaries and each of its Affiliates hereby (a) agrees that any action, suit or proceeding of any kind or description, whether in contract or in tort or otherwise, involving the Debt Financing Sources, arising out of or relating to this Agreement or the DIP Financing or any of the agreements entered into in connection with the DIP Financing or any of the transactions contemplated hereby or thereby or the performance of any services thereunder shall be subject to the exclusive jurisdiction of the Bankruptcy Court and, if the Bankruptcy Court does not have (or abstains from) jurisdiction, the courts of the State of New York, the courts of the United States of America for the Southern District of New York and appellate courts from any thereof, and any federal or state court in the Borough of Manhattan, New York, New York, if the Bankruptcy Court is not available, and each party hereto irrevocably submits itself and its property with respect to any such action, suit or

proceeding to the exclusive jurisdiction of such court; (b) agrees that any such action, suit or proceeding shall be governed by the laws of the State of New York, except as otherwise provided in the DIP Credit Agreement or other applicable definitive document agreement relating to the DIP Financing; (c) agrees not to bring or support or permit any of its Subsidiaries to bring or support any action, suit or proceeding of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise, against any Debt Financing Source in any way arising out of or relating to this Agreement, the DIP Financing or any of the transactions contemplated hereby or thereby or the performance of any services thereunder in any forum other than the Bankruptcy Court and, if the Bankruptcy Court does not have (or abstains from) jurisdiction, the courts of the State of New York, the courts of the United States of America for the Southern District of New York and appellate courts from any thereof; (d) irrevocably waives, to the fullest extent that it may effectively do so, the defense of an inconvenient forum to the maintenance of such action, suit or proceeding in any such court; (e) knowingly, intentionally and voluntarily waives to the fullest extent permitted by applicable law trial by jury in any action, suit or proceeding brought against the Debt Financing Sources in any way arising out of or relating to this Agreement, the DIP Financing or any of the transactions contemplated hereby or thereby or the performance of any services thereunder; (f) solely with respect to Seller, its Subsidiaries and its Affiliates, agrees that none of the Debt Financing Sources will have any liability to Seller, its Subsidiaries or any of its Affiliates or any officer, director, employee, member, manager, partner, controlling person, advisor, attorney, agent or representative relating to or arising out of this Agreement, the DIP Financing or any of the transactions contemplated hereby or thereby or the performance of any services thereunder, whether in law or in equity, whether in contract or in tort or otherwise and neither Seller, its Subsidiaries nor its Affiliates will have any rights or claims against any of the Debt Financing Sources hereunder or thereunder; (g) agrees that the Debt Financing Sources are express third-party beneficiaries of, and may enforce any of the provisions of this [Section 9.13](#); and (h) agrees that the provisions of [Section 4.25](#), [Section 9.10](#), this [Section 9.13](#) and the definitions of “DIP Lenders” and “Debt Financing Sources” shall not be amended, modified or waived in any way materially adverse to the Debt Financing Sources without the prior written consent of the Required Lenders (as defined in the DIP Credit Agreement) or with respect to any Alternative Financing, the equivalent term to Required Lenders with respect to such Alternative Financing. Notwithstanding the foregoing, nothing in this [Section 9.13](#) shall in any way limit or modify the rights and obligations of Buyer, the DIP Borrower or any of their respective Subsidiaries under this Agreement or any DIP Lender’s obligations to Buyer, the DIP Borrower or any of their respective Subsidiaries under the DIP Credit Agreement. This [Section 9.13](#) shall, with respect to the matters referenced herein, supersede any provision of this Agreement to the contrary.

ATG Network Sharing Agreement Term Sheet

B-1

ATG NETWORK SHARING AGREEMENT TERM SHEET

Parties	<p>Gogo Business Aviation LLC (“<u>Gogo</u>”) and [Buyer of Gogo’s CA Business] (“<u>Buyer CA</u>”). Each of Gogo and Buyer CA may be referred to, individually, as a “Party” or, collectively, as the “Parties.” Terms used in this Term Sheet and not otherwise defined herein have the respective meanings assigned to them in the Agreement to which this Term Sheet is an exhibit.</p>
Overview	<p>Gogo is the owner and operator of a proprietary air-to-ground cellular network employing the EVDO standard (the “<u>ATG Network</u>”) and is developing, and will be the owner and operator of, a next-generation 5G air-to-ground network (the “<u>5G ATG Network</u>”). Substantially concurrently with, and as a condition to, the Closing, the Parties shall enter a Network Sharing Agreement (the “<u>ATG Network Sharing Agreement</u>”) pursuant to which Gogo provides to Buyer CA certain inflight connectivity services on its ATG Network and, upon the launch of the 5G ATG Network, on its 5G ATG Network (collectively, the “<u>ATG Services</u>”).</p>
Exclusivity	<p>During the term and so long as Buyer CA meets (or exceeds) the applicable annual minimum revenue guarantees, Gogo grants Buyer CA the exclusive right to re-sell the ATG Services into the Commercial Aviation Market in the United States and Canada (the “<u>Exclusivity Right</u>”). “Commercial Aviation Market” shall be defined as passenger and cargo aircraft operating pursuant to 14 CFR Part 121 but shall not include charter companies conducting scheduled flight operations departing from executive fixed base operations and private charters operating under 14 CFR Part 121.</p>
Equipment	<p><u>Current ATG/ATG4 Products.</u> For current ATG and ATG4 products, Buyer CA will be responsible for procuring all hardware and equipment, with the exception of EVDO and dual mode aircards and the products set forth on Schedule 1 to the extent such products were installed on Buyer CA aircraft prior to the Closing (the “<u>Existing Equipment</u>”), all of which Gogo will provide and repair on a “cost plus” basis. For purposes of the ATG Network Sharing Agreement, “cost plus” means [***]. Gogo will not be obligated to provide kitting for Buyer CA aircraft.</p> <p><u>5G Hardware.</u> For future 5G ATG Network products, Buyer CA will have the option to buy Gogo hardware on a cost plus basis. If Buyer CA desires to purchase hardware that is not manufactured by Gogo, Gogo shall have the right to bid to manufacture such hardware and Buyer CA shall consider Gogo’s proposal in good faith. If Gogo does not develop and provide the hardware, Gogo will facilitate third-party hardware development by providing design specifications and testing services and, if the third-party hardware meets Gogo’s requirements, by approving such hardware for use on the ATG network. Gogo will provide such services on a cost plus basis. In order to facilitate any third-party equipment, Gogo will sell aircards for the 5G ATG Network to Buyer CA on a cost plus basis. If Gogo contracts with a third party to manufacture and supply any fully assembled hardware, including any line replaceable units and antennas, Gogo shall resell, or otherwise direct such third party to provide, such hardware to Buyer CA at the same price such third party sells such hardware to Gogo.</p> <p><u>Equipment Repair and Warranty.</u> Gogo will provide repair services for the Existing Equipment. In addition, Gogo will provide repair services for any equipment it sells to Buyer CA during the term of the agreement (the “<u>New Equipment</u>”). For both the Existing Equipment and the New Equipment, a standard three-year warranty from date of shipment shall apply. All repairs performed after the warranty period has expired shall be provided on a cost plus basis. Gogo shall ensure that there is a reasonable amount of safety stock of the Existing Equipment as of the Closing Date.</p>

Software. Gogo shall include software embedded in the equipment it sells to Buyer CA. Gogo shall not charge Buyer CA any incremental fees for routine maintenance upgrades to such software, but shall provide any material enhancements to such software at mutually agreed rates.¹ Gogo shall continue to timely support and maintain software embedded in all the equipment it sells to Buyer CA and in the Existing Equipment for the duration of the term.

Billing. Equipment purchases shall be invoiced on a purchase order basis and payment shall be due on delivery.

Installation

Buyer CA will be responsible for all equipment installation. Gogo will hold Parts Manufacturing Authority with respect to all Gogo equipment sold to Buyer CA (and, for clarity, shall obtain and maintain all applicable regulatory approvals with respect thereto) and will provide all of the relevant FAA approved data that is reasonably required to obtain any required supplemental type certificates.

Network

Network. Gogo will provide Buyer CA ATG aircraft access to the ATG Network and, following the launch of the 5G ATG Network, access to the 5G ATG Network. Notwithstanding the launch of the 5G ATG Network, Gogo will continue to provide the ATG Network and support for the EVDO standard for so long as the ATG Network is available. Gogo will provide Buyer CA with [***] written notice prior to decommissioning the ATG Network.

Pricing. For each year of the term between the Closing Date and the 5G ATG Network Launch Date, Buyer CA shall pay Gogo for the ATG Services an amount equal to the greater of (1) [***] and (2) a minimum revenue guarantee of \$5 million. For each year of the term between the 5G ATG Network Launch Date and the end of the term, Buyer CA shall pay Gogo for the ATG Services an amount equal to the greater of (1) [***] and (2) the applicable minimum revenue guarantee amount for such year (the “Post-5G Pricing Terms”). The minimum revenue guarantee for the first year following the 5G ATG Network Launch Date shall be [***] and the minimum revenue guarantee for the second year following the 5G ATG Network Launch Date shall be [***]. For each year of the term thereafter, the minimum revenue guarantee shall increase by [***]. Assuming that the 5G ATG Network Launch Date takes place in [***], an illustrative schedule of subsequent minimum revenue guarantees is set forth in Schedule 2. The foregoing annual payments shall be adjusted pro-rata for any partial year. Notwithstanding the foregoing or anything herein to the contrary, if (1) the 5G ATG Network Launch Date has not occurred by [***] and (2) the failure to launch the 5G ATG Network by [***] was not primarily caused by force majeure events, third parties or other factors outside of Gogo’s control, then from the period between [***], and the 5G ATG Network Launch Date, (x) Buyer CA shall pay Gogo for the ATG Services an amount equal to [***], and (y) there shall be no minimum revenue guarantee. For the avoidance of doubt, following the 5G ATG Network Launch Date, the Post-5G Pricing Terms shall apply.

In the definitive ATG Network Sharing Agreement, the Parties will agree on (a) a definition for Net Annual Service Revenue, (b) measurement and audit mechanisms with respect to the determination of Net Annual Service Revenue and (c) payment terms.

If Buyer CA fails to meet the applicable minimum revenue guarantee in any given year during the term, Buyer CA shall forfeit the Exclusivity Right for the remainder of the term.

¹ Note to Draft: Parties to agree on pricing methodology between sign and close.

Service Level. Access to the ATG Network will be provided on a best efforts basis and, at minimum, in a manner that permits Buyer CA to meet its SLA obligations with respect to its customers. Gogo will retain the right to modify its network management policies, so long as such modifications are consistent with the SLAs between Gogo and Buyer CA. Gogo maintains the right at any time to take any actions to limit network usage in the aggregate or on a per aircraft basis through traffic management and other reasonable fair use policies such that network usage by Buyer CA ATG aircraft does not harm the user experience of other aircraft on the ATG Network (any such actions, “Network Management Actions”); provided, however, that Gogo may not engage in any Network Management Actions that would prioritize its customers over the customers of Buyer CA. To maintain the performance of the ATG Network, usage of such network by Buyer CA ATG Aircraft shall not exceed [***] gigabytes per month during the term (the “Monthly 4G Cap”), provided that Gogo may provide additional network capacity above the Monthly 4G Cap in its sole discretion.

Service Level Agreements. For each existing airline customer of the Business as of the Closing, Gogo will (1) provide a service level agreement (“SLA”) that backstops the Business’ SLA obligations with respect to such customer and (2) indemnify Buyer CA for any penalties payable by Buyer CA to the applicable airline to the extent such penalties result from any breach by Gogo of its obligations under the applicable SLA, provided that Gogo shall not be liable for any penalties or damages arising from or relating to third-party hardware or third-party service providers (the obligations in clauses (1) and (2) of this sentence collectively, the “SLA Obligations”). For clarity, Gogo’s SLA Obligations shall extend to any renewals or extensions of agreements with existing airline customers of the Business as of the Closing that are entered into during the term of the ATG Network Sharing Agreement. If Buyer CA wishes to enter into a new SLA with a new airline customer following the Closing, Buyer CA shall give Gogo reasonable opportunity to review and comment on the proposed SLA with such customer (with respect to the ATG Services) and if the terms are acceptable to Gogo (to be confirmed by Gogo’s express written consent), Gogo’s SLA Obligations shall also extend to such customer. With respect to any such new airline customer, Buyer CA and Gogo shall negotiate in good faith to make appropriate modifications to pricing or other terms in the ATG Network Agreement to accommodate any increased performance requirements. If Buyer CA wishes to enter into a SLA that is more favorable to an airline in respect of the ATG Services than the terms of the Business’ existing SLA obligations (a “Modified SLA”), Buyer CA may request that Gogo amend the terms of its SLA to backstop the Modified SLA and propose appropriate modifications to pricing or other terms in the ATG Network Sharing Agreement, but Gogo will be under no obligation to agree to any such amendment. Buyer CA may not offer (and Gogo’s SLA Obligations shall not apply to) any free-to-passenger (whether long-term or as part of a short-term sponsorship program) or other programs that would reasonably be expected to result in a significant increase in network usage and a violation of any Monthly Cap by Buyer CA ATG aircraft without Gogo’s prior written consent.

MFN. Buyer CA will have the right to purchase network and equipment upgrades developed by Gogo on a Most Favored Nation (MFN) basis (relative to other customers selling into the Commercial Aviation Market) for sale into the Commercial Aviation Market.

5G Network. Gogo will use commercially reasonable efforts to launch the 5G ATG Network by [***], or the earliest practicable date thereafter. The date on which Gogo makes the 5G ATG Network available to Buyer CA shall be referred to herein as the 5G ATG Network Launch Date. Prior to the 5G ATG Network Launch Date, Gogo shall keep Buyer CA reasonably informed with respect to the anticipated timing of the launch of the 5G ATG Network and the Parties shall negotiate in good faith to enter

into amended SLAs applicable to the 5G ATG Services. Depending on the scope of such amended SLAs, appropriate modifications may be made to pricing for the ATG Services to accommodate any increased performance requirements. To maintain the performance of Gogo's 5G ATG Network, usage of such network by Buyer CA ATG Aircraft shall not exceed a number of gigabytes per month (the "Monthly 5G Cap") during the term, provided that Gogo may provide additional network capacity above the Monthly 5G Cap in its sole discretion. Given the unknown nature of capacity limitations and expected usage of the 5G ATG Network as of the date of the ATG Network Sharing Agreement, the parties agree to a "backstop" Monthly 5G Cap with the understanding that they will negotiate in good faith to determine a mutually agreed Monthly 5G Cap prior to the 5G ATG Network Launch Date. If the parties are unable to agree on a Monthly 5G Cap prior to the 5G ATG Network Launch Date, the "backstop" Monthly 5G Cap will be no less than [***]of the then available capacity of the 5G ATG Network.

Customer Support

Buyer CA will provide Tier 1 support to its airline customers. Gogo will provide Tier 1 – 4 support to Buyer CA. A description of the obligations of each Tier is set forth on Schedule 3. Gogo and Buyer CA will agree on SLA support provisions reasonably consistent with those in the currently applicable airline SLAs.

Term and Termination

Initial Term. The initial term shall begin on the Closing Date and end on December 31, 2030. No less than 90 days prior to the expiration of the initial term the Parties shall determine whether, and on what terms, to renew the agreement.

Termination: by either Party for material breach by the other Party, subject to a 60 day cure period.

Ownership of Intellectual Property

Each Party is and shall remain the sole and exclusive owner of all intellectual property it owns or controls as of the effective date of the ATG Network Sharing Agreement or that it develops or acquires thereafter. Nothing in the ATG Network Sharing Agreement shall be construed as granting either party any right, title or interest in or to any intellectual property rights owned or controlled by the other party.

Gogo Announces Entry into Agreement to Sell its Commercial Aviation Business to Intelsat for \$400 Million in Cash

Enhances Financial Flexibility and Positions Gogo to Accelerate Growth in Profitable Business Aviation Segment

CHICAGO – August 31, 2020 – Gogo Inc. (NASDAQ: GOGO) (“Gogo”) today announced it has entered into a definitive agreement to sell its Commercial Aviation (CA) business to Intelsat S.A. (OTC: INTEQ) (“Intelsat”) for \$400 million in cash, subject to customary adjustments.

The Gogo Board of Directors has approved the transaction. Intelsat expects to finance the transaction utilizing cash on hand and borrowings under its \$1 billion debtor-in-possession credit facility and has obtained support from key economic stakeholders, as well as approval from the U.S. Bankruptcy Court for the Eastern District of Virginia, Richmond Division, to complete the acquisition. The transaction, which is expected to close before the end of the first quarter 2021, remains subject to customary closing conditions and certain regulatory approvals.

“Following a competitive strategic review process, we’re confident this transaction unlocks the full value of the CA business for shareholders,” said Oakleigh Thorne, Gogo’s President and CEO. “Combining CA, the leading inflight connectivity provider, with Intelsat, the world’s largest global satellite operator, will create the leading vertically-integrated IFC business in the world, with the additional resources and scale to support continued growth and innovation as demand for commercial air travel recovers.”

“With shared values and a clear commitment to working with the CA team to grow the business, we are confident Intelsat is the right partner. I am extremely grateful for the CA team’s efforts – particularly over the past few months. Today’s announcement is a testament to the strength of the business they have built,” Thorne said.

Gogo, which will remain a public company, will use the proceeds from the transaction to improve its net debt position and continue to invest in growth opportunities such as Gogo 5G. With greater financial flexibility, including a lower cost of capital over time, the new Gogo will be better positioned to enhance the scale and profitability of its Business Aviation (BA) segment, which is uniquely well-positioned in an attractive and underpenetrated market.

“This transaction creates a stronger and more focused Gogo, with the singular strategic imperative of serving the business aviation market with the best inflight connectivity and entertainment products in the world,” Thorne said. “The BA market continues its sharp recovery and strong demand growth trajectory, and our BA segment is exceptionally well-positioned to drive long-term value creation in that industry.”

As part of the transaction, Gogo will enter into a 10-year network services agreement under which Intelsat will have exclusive access to Gogo ATG services for the CA market in North America, subject to minimum revenue guarantees of \$177.5 million.

Intelsat intends to operate the CA business as an independent business unit, led by current CA President John Wade. The CA business will remain based in Chicago.

BDT & Company served as primary financial advisor to Gogo, J.P. Morgan and Morgan Stanley & Co. LLC served as financial co-advisors, and Debevoise & Plimpton LLP served as legal advisor.
